Odd Way to Rest.

There is nothing, says a medical journal, that will rest you so quickly as to sit on a straight back chair and, lifting the feet from the floor, push them out in front of you as far as possible, stretch the arms, put the head back, open the mouth wide and make yourself yawn.

THIS MAN HAD TO TRY TWO OR THREE TIMES BEFORE HE LEARNED TO TAKE A SMALL ENOUGH CHEW.

GOSH, I'VE FOUND IT— THE BEST TOBACCO I'VE EVER TUCKED AWAY IN MY JAW—AND SUCH A SMALL CHEW MAKES GOOD.

I FOUND IT OUT TWO YEARS AGO, BUT YOU WOULDN'T LISTEN TO ME.

THINK OF ALL THE PRECIOUS TIME WASTED ON ORDINARY TOBACCO!

YOU probably realize the change that two years have made among tobacco users. Hundreds of W-B-CUT users waited months before they were willing to try it. Changing from one old kind of tobacco to another never seemed to improve matters. But common sense was bound to win. Rich tobacco, shredded, lightly salted—excess sweetening—that's as far as tobacco satisfaction can go, and what a big difference it makes!
