Estacada, Oregon.

Posters are already out announcing a big Christmas dance to be held at Cogswell's Hall in Eagle Creek on the evening of December 23rd.

Mr. and Mrs. I. D. Wright of Estacada returned Monday from the Thanksgiving holidays spent at the Wright home in Union, Oregon.

A Christmas program is being arranged by Miss Harriett Duncan of the George School, to take place the evening of December 22nd and to which all are invited.

James Victor Kitching, the year old son of Mr. and Mrs. Charles Kitching of Currinsville, who was operated upon a few weeks ago at a Portland hospital, was brought home last week, where he is well on the road to recovery. The operation, which was a serious one, was performed by Drs. McDaniel and McDaniel of Portland and thanks to the strong constitution and vitality of the child, was successful.

Far Better.

In a neat English village lived a tobaccoist named Farr. Now, this tobaccoist had a rival. Both wanted the trade of the town. Farr, being a wit, devised a sign and hung it outside his shop:

"Best Tobacco by Farr."

The townsfolk, relishing a pun, flocked to his shop, and his trade increased at the expense of his rival's business.

Now, his rival brooded and meditated, consulted many books of ancient lore, a Roget's Thesaurus and a riling dictionary. One day his face was seen to wreath itself into smiles. Gossip hovered expectant about his shop. The anticipations of the townsfolk were not disappointed, for that very day he hung out a sign which read:

"Far Better Tobacco Than the Best by Farr."—New York Post.

Interesting Uses of Asphalt.

When the word asphalt is mentioned the first thing we think of is pavements and streets, but this interesting substance has found many other uses, chiefly through the efforts of the chemists employed by the asphalt companies. The number of different compounds devised by the chemists for various purposes is enormous. Some uses are in shoemaking, waterproofing, vat linings, linoleum, driving belts, rubber articles, cork flooring, locks, protective paints, asphalt putty and a host of others. — Metallurgical and Chemical Engineering.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Druggists, 75c.

DID YOU KNOW IT FROM THE GOOD JUDGE'S LOOKS?

HERE, JUDGE, YOU SET MY FRIEND RIGHT. ISN'T THAT AS LARGE A CHEW AS YOU EVER TAKE?

I DIDN'T KNOW THE JUDGE EVER CHEWED.

THAT'S JUST IT--I'M NEVER WITHOUT IT, BUT YOU NEVER NOTICE IT--PURE TOBACCO AND A SMALL CHEW!

IT seems as though most men had just been waiting and waiting for W-B CUT Chewing. Naturally it should be that way. Tobacco satisfaction and not a big chew is what tobacco lovers want. You couldn't get it the old way—cheap tobacco and excess sweetening. But rich tobacco, succulent, lightly salted, that's what makes tobacco satisfaction—that's why W-B CUT is winning all this popularity.

Mrs. Elmer Davis of Garfield is reported to have suffered a badly cut hand on Thanksgiving Day, when a knife slipped, cutting a bad gash, the wound necessitating medical attention.

The name of Miss Ruby McWilliam of Estacada will be engraved upon the E. H. S. Silver Debate Cup, as the result of Tuesday night's competitive oratorical contest at the school.
