To Specialize in Registered Stock

With the tendency today among the local farmers to raise each year better grades of cattle, poultry, and swine, last week, Barney Schonburg of Springwater purchased a two year old registered Brown Swiss bull, of Idaho stock.

Mr. Schonburg already has two registered heifers of the same breed and contemplates specializing in this particular line of cattle, which are not only good milk producers, but command top prices as beef animals.

PRICE LIST Allen & Co.

The prices on mill feeds are changing so fast in Estacada, at the present time, that it is impossible to quote prices for more than a day at a time.

Look at the Yellow Label

Before you finish reading this paper, turn to the front page and take a look at the yellow address label on the upper corner and see if your subscription has expired.

Following your name on the label, appear three numbers, standing for the month, day and year in which subscription expires.

If your subscription has expired, we will greatly appreciate a remittance in renewal of same. In case you cannot pay now, if you will advise us that you wish to have the paper continued, we will be pleased to extend the subscription and if you do not care to continue as a subscriber, please notify us to that effect.

Owing to the present high price of all materials entering into the making of a newspaper, it is vitally essential that we receive all money due us as soon as possible, especially as we are trying to issue a home-newspaper worth the full one-hundred cents per year and we will leave it to you if the News is not giving value received.

By the way, there is no more suitable Christmas present than a subscription to the home-newspaper, as it carries the good wishes of the giver for 52 weeks and as a present to out of town friends and relatives, answers all requirements of a weekly letter.

We are also making a special clubbing offer of a years subscription to the News and a years subscription to the Weekly Oregonian \$1.60, this offer remaining open until April 1st, 1917.
