Miss Emma Paulsen of Portland
returned home this week, after
spending a week at the home of
her parents, Mr. and Mrs. Peter
Paulsen of George.

Albert Kitching, the popular
Road Supervisor of Currinsville
has finally been persuaded to a-
gain assume the responsibilities
of that office, despite his wishes
to relinquish the duties. Albert's
reconsideration was the direct re-
sult of the entreaties of his many
fellow workers, coupled with a
strong appeal from the County
Court.

Roger Cary of Portland was an
Estacada visitor this week and in-
cidentally talked business to the
extent of informing his friends
of his new Razor Shop in Port-
land, where he is in a position to
do all kinds of safety and straight
razor blade sharpening.

Dr. Lee A. Wells of Estacada
returned from the holidays spent
at Roseburg. Mrs. Wells remain-
ing there for a few days longer.

C. C. Miller and wife of Esta-
cada are leaving the last of this
week for Salem, where they will
spend a few days among relatives
celebrating a delayed Christmas
visit.

EQUINE ARTFUL DODGERS.

Deafness and Lameness That Were
Just Pure Bluff.

We all know, of course, the livery
nag who pretends to be deaf. You
tell him to "get up," and he getteth not
up; you cluck to him, and he accel-
erated not his pace. Is he deaf? Not
he. You know, by a certain rolling of
his eye and wiggling of his ears, that he
hears you perfectly well. His deafness
is pure bluff. It is like the lameness
which some shrewd old nags sometimes
put on.

Will a horse pretend to be lame when
he is not? Some horses certainly will.
Two or three years ago the Nomad
was driving a livery nag on a road in
Vermont, when the animal suddenly
began to limp terribly; couldn't go off
a slow walk. It was pretty serious,
for a journey of about twenty miles
had just been begun. Knowing a man
on the road who was a practical horse-
man, the Nomad drove up to his door
and submitted the animal to the ex-
pert's examination. The man looked at
the horse's feet, examined his legs—
looked him over thoroughly. "Did the
horse go all right when you started
out?" he asked. Yes; the horse had
gone all right for three or four miles.
"Well," said the expert, "this horse is
shamming; there is nothing the matter
with him."

Then he addressed some plain lan-
guage to Dobbin, advising him with
some sharpness to cut it all out and go
along as he ought to. The Nomad
touched the horse with the whip, and
he trotted on to the end of the journey
without the slightest limp.—Nomad in

There is more Catarrh in this section
of the country than all other diseases
put together, and for years it was sup-
posed to be incurable. Doctors pre-
scribed local remedies, and by constan-
tly failing to cure with local treatment,
pronounced it incurable. Catarrh is a
local disease, greatly influenced by con-
stitutional conditions and therefore re-
quires constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J.
Cheney & Co., Toledo, Ohio, is a consti-
tutional remedy, is taken internally
and acts thru the Blood on the Mucous
Surfaces of the System. One Hundred
Dollars reward is offered for any case
that Hall's Catarrh Cure fails to cure.

THE GOOD JUDGE FINDS THE OFFICERS KNOW QUALITY TOBACCO.

YOU MARK MY WORDS—
ANY MAN TAKING A BIGGER
CHEW OF W-B CUT TOBACCO
THAN THAT, IS A TOBACCO
GLUTTON AND WE DON'T
WANT GLUTTONS ON THE
FORCE.

YOU'RE RIGHT SIR!
SEVERAL OF OUR MEN
USE W-B BECAUSE IT'S
RICH TOBACCO AND A
SMALL CHEW SATISFIES.

LEAVE IT TO THE
POLICE OFFICERS
TO FIND OUT
ABOUT QUALITY
TOBACCO.

YOU notice a fine regard for appearance among the
officers from Roundsmen to Captain—that's one
reason they are so keen for W-B CUT Chewing.
The pass-word among these gentlemanly fellows is "If
you won't take a little chew don't take any." No need
to disfigure the face, when a nibble of rich tobacco gives
more satisfaction than a wad of ordinary stuff—also less
grinding and spitting. Take a tip from the officer on W-B.

THE UNIVERSAL CAR

Three strong reasons urge you to buy the Ford car: First, because of its record of satisfactory service to more than fifteen hundred thousand owners; Second, because of the reliability of the Company which makes it; Third, because of its large radiator and enclosed fan, streamline hood, crown fenders front and rear, black finish, nickel trimmings, it is most attractive in appearance. To these must be added its wonderful economy in operation and maintenance—about two cents a mile; likewise the fact that by reason of its simplicity in construction anyone can operate and care for it. Nine thousand Ford agents make Ford service as universal as the car.

our records never wear out."

"How will this do?" he asked. "One
