### Burning Barn

#### Illumines Estacada

Estacada was treated to two unusual night illuminations in the last few days, including a full eclipse of the moon on Sunday evening.

On Saturday evening, the barn on the Walter Gribben place, on the top of the Estacada Heights Hill was completely destroyed by fire. As the burning building was above the city reservoir, no aid could be rendered by the fire department and after getting the stock to a place of safety, the neighbors were powerless to stop the blaze. The loss amounted to several hundred dollars, partly covered by insurances.

At the annual meeting of the Garfield Country Club, held January 2nd, Thos. Carter was elected President, H. A. La Barre, Secy-Treas., Andrew Anderson, George Hathaway and Floyd Davis, Directors.

Already, the new officers are beginning a rejuvenation of the club and are soliciting the sale of additional shares of stock in the organization, which added capital will result in further improving that valuable social center.
