Popular Pastor and Family Leaving

It is with regret that word has
been received of the contemplat-
ed removal from this community
within a few weeks, of Rev. and
Mrs. C. F. Aue and family of
Springwater.

It is understood that Rev. Aue
accepted a pastorate in New York
state and the good wishes of
their many friends here, will be
with them in their new field.

Rev. and Mrs. Aue have for
years taken a more than active
part in the local community
social and musical affairs and a
leading part in religious work.
Mr. Aue having acted as pastor
of the Springwater and Eagle
Creek Presbyterian Churches for
several years.

A farewell reception will be
tendered them tonight at the
house of Mr. and Mrs. Ballou at
Eagle Creek.

Card Of Thanks

I wish to offer my sincere
thanks and appreciation to the
many friends and good people of
this community, for the symp-
athy and aid which was extended
to me in the late illness and death
of my beloved wife.
Signed, A. J. Brown, Barton, Or.

There is more Catarrh in this section
of the country than all other diseases
put together, and for years it was
supposed to be incurable. Doctors
prescribed local remedies, and by constant-
ly failing to cure with local treatment,
pronounced it incurable. Catarrh is a
local disease, greatly influenced by con-
stitutional conditions and therefore
requires constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J.
Cheney & Co., Toledo, Ohio, is a constitu-
tional remedy, is taken internally
and acts thru the Blood on the Mucous
Surfaces of the System. One Hundred
Dollars reward is offered for any case
that Hall's Catarrh Cure fails to cure.
Send for circulars and testimonials.

ONE FRIEND TELLS ANOTHER WHY W-B CUT TOBACCO IS BEST AND CHEAPEST

MY POUCH OF W-B CUT TOBACCO
ISN'T AS BIG AS YOUR LOOSE
PAPER SACK, BUT ITS BETTER
AND CHEAPER, BECAUSE IT
SATISFIES AND LASTS LONGER.

JUDD, THAT FELLOW HAS
CAUGHT ON TO IT ALL
RIGHT.

HERE'S something curious about W-B CUT Chew-
ing—it takes less out of your pocket and puts a
better chew into your mouth. No big plug sagging your
pocket, no big wad sagging your cheek. Half as much
of this rich tobacco goes twice as far as ordinary plug.
W-B saves your silver and gives you a silver-lining feel-
ing of happiness all over. You can't help from telling
your friends about W-B.

Ford

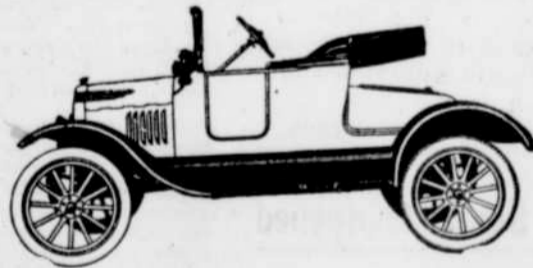

THE UNIVERSAL CAR

Three strong reasons urge you to buy the Ford car: First,
because of its record of satisfactory service to more than
fifteen hundred thousand owners; Second, because of the
reliability of the Company which makes it; Third, because
of its large radiator and enclosed fan, streamline hood,
crown fenders front and rear, black finish, nickel trim-
mings, it is most attractive in appearance. To these
must be added its wonderful economy in operation and
maintenance—about two cents a mile; likewise the fact
that by reason of its simplicity in construction anyone
can operate and care for it. Nine thousand Ford agents
make Ford service as universal as the car.

Touring Car \$360.—Runabout \$345.—f. o. b. Detroit.

Several county newspapers last
week bore the heading "Whiskey
Still Found on Banks of Molalla"

We cannot see anything to brag
about that, as whiskey can still
be found in many places in this
community and we are not crow-
ing about it either.
