ESTACADA, OREGON, THURSDAY, FEBRUARY 15, 1917

\$1. PER YEAR

CASCADE MOVEMENT FAR FROM DEAD

Two Hundred Enthusiasts Attend Dinner Meeting

Besides the one hundred and thirty who partook of the dinner at the Estacada Pavilion last Saturday night, about seventy-five more people enjoyed the program and meeting which followed.

While primarily the meeting was to consider the report of the Cascade County Committee, outlining the past months work before the State Legislature, the meeting reverted into the presentation of plans to continue the Cascade movement and to work along the lines of united and organized effort to obtain the development that is due this part of the county.

The gathering for a time took on the aspects of an Anti-Dimick celebration, but the desire for vengeance was in the background as compared with the plans for the future.

The dinner which was an extra welcome attraction, was served by the ladies of Estacada and vicinity and netted \$15 or \$20 over and above expenses, which sum will be turned over to the Cascade fund.

Enthusiastic speeches were made by the various members of the Cascade Committee, with equally eloquent talks made by many other men and women, who had had the opportunity to attend the meetings at Salem, and who were conversant with the political treachery which ended in the defeat in the Senate of the Cascade County bill.

The report of the financial condition of the movement was made, showing a deficit of over \$200., which sum will have to be met by popular subscription, with a portion subscribed that evening.

It is hoped that this deficit will not have to be met by but a few people and that the local public will voluntarily assume part of the obligation. Contributions may be made to Cashier Wright of the Estacada State Bank, who is treasurer of the movement.

Mixed Carload Shipped Wednesday

A mixed carload of livestock left the Estacada Yards yesterday having been purchased by Walter Givens.

In this shipment were four extra fine Short Horn steers, raised by Homer B. Ballou of Eagle Creek, these choice offerings bringing 8½ cents per pound.

For Division Of Fair Funds

Representative H. C. Stephens of George has this week had passed through the House of Representatives at Salem, a bill authorizing Clackamas County to give to the Eastern Clackamas County Fair, the sum of \$500. as its share of the premium fund moneys now allowed this county for such purposes.

Clackamas County now receives about \$2000. from the state for this purpose and a \$500 division for this part of the county is a just proportion.

It is hoped that this bill will be passed by the Senate and unless Senator Dimick makes a special attack on same, it should receive the support of that branch of the Legislature.

State Average True In This Community

The following figures, relative to the number and makes of cars sold in the state during 1916, indicates that the auto buyers of this community are no exception to the state at large:—

Complete registration	33,908
Ford	4,394
Dodge	822
Overland	807
Buick	720
Studebaker	650
Maxwell	534
Chevrolet	492
Saxon	254
Reo	235
Oakland	204
Total	9,112

Horner Brothers To Move Saw Mill

A deal was consummated recently whereby the valuable 160 acre tract of timber belonging to John Ficken of Viola, becomes the property of Horner Brothers of Dodge.

This timber, which lies in the canyon between Viola and the Ficken ranch, will shortly be run through the mill, as the new owners contemplate the removal of the mill from its present site in Dodge to the new location, within a few weeks.

To Change Electric Current

It is reported that plans are underway by the P. R. L. & P. Co. to install 60 cycle electric power in Estacada, replacing the present 30 cycle current. Such a change will be welcomed, especially by the users of electrical motor power.

Cascade Dance March 3rd

In order to raise funds to aid in offsetting the deficit of the Cascade movement, a big dance will be given Saturday evening, March 3rd, at the Estacada Pavilion.

The ladies of the Civic Improvement Club have agreed to donate a fine midnight lunch and as Mrs. E. E. Saling is chairman of the committee, this feature alone should be an attraction.

Everyone is cordially invited to be present, as their admission money will not only assure them a fine evening's pleasure, but the money will represent a contribution to the Cascade fund.

The committee in charge of advertising and making the dance a success in all the districts comprises—N. S. Lauryy, Phil Adams and Theo. Ahlberg of Estacada; Chris Johnson and Henry Schmidt of George; Harold Horner and Sylvester Lawrence of Springwater; R. H. Currin and E. E. Saling of Currinsville; Herman Davis and Tom Carter of Garfield; Fred Bates and Carl Douglass of Lower Garfield and Upper Eagle Creek; Will Still and George Smith of Eagle Creek; and Frank Ewing and Ollie Gerber of Viola and Logan.

The details of the affair will be handled by the ladies in Estacada and the committee members are urged to get together the young folk from their respective districts to all attend.

Plantings For Cannery

Manager Deming of the Estacada Cannery is now ready to canvas among the farmer of this community with a view to contracting for plantings of vegetables and small fruits for the 1917 packing.

Undoubtedly good profits can be made by the growers of produce for this industry and the growers of this community should make every effort to cooperate.

Besides the urgency of planting small fruits, the contracts offered for the planting of Refugee beans, pumpkins, cabbage, etc, should prove a profitable move.

It is necessary that all plantings be of the variety desired by the cannery, as the demand from the retailers is for stipulated varieties and the cannery cannot sell its pack, unless the product is standard.

As the cannery is in a position to furnish seed for plantings, the canvas of Mgr. Deming should meet with good results, which good results cannot help but stimulate industrial development through this part of the county.

SCHOOL FAIR MARCH 2, 1917

Annual Premium List

Classes.

- A. Juniors and Seniors in High School.
- B. Freshmen and Sophomores.
- C. 6th, 7th, and 8th grades.
- D. 1st to 5th grades inclusive.
