Dover Doings

(Contributed)

Mrs. S. A. Cooper recently traded her Dover farm for Portland property and will vacate in a short time to make room for the new owners.

Several of the Doverites attended the Women's Club entertainment at Sandy Saturday evening.

Mrs. H. H. Udell and Mrs. George Kitzmiller are on the sick list at present.

Joseph and Ralph DeShazer made a trip to Estacada Friday and returned with a ton of beet-pulp.

Frank Ahnert made a trip to Oregon City on Friday.

Rev. Brakenbury of Gresham has been associated with Rev. Miner for the past week in holding religious meetings, which came to a successful termination last Sunday.

Cousins Meet After Fifty Years Absence

An enjoyable and unexpected reunion was held last week at the Gid Krigbaum home in Garfield, when Mrs. Sadie Wenz of Ohio, spent a week as the guest of her cousin Mrs. Gid Krigbaum.

Mrs. Wenz and Mrs. Krigbaum had not seen each other since they parted in Ohio in 1862, when soon after the latter came West. Mrs. Wenz, who was visiting in Portland, happened to get track of her long lost cousin in Garfield and the reunion was the result.

All members of the Estacada Rebekah Lodge are urged to be present Friday evening, February 16th, when a special meeting will be held in honor of Pres. Wattenberg.

E. H. S. Echoes

Edited by Lena Cahill and Lloyd Saling

E. H. S. played two Basket Ball games last week with unfavorable results in both instances. On Friday, the team journeyed to Portland and played James-John.

Owing to the unfavorable hall, especially the polished floor, which had been treated in the most scientific manner possible in order that such things as the Pigeon Walk could be indulged in, the E. H. S. boys were unable to get a footing. The James-John boys won the game by a score of 26 to 11. The boys who made the trip were: Captain Denney, Wagner, Sarver, Saling, Jannsen, Bartlemay and Hannah.

In the Vancouver game here Saturday our team outfought their opponents, but the result was merely due to superior training in basket shooting. The score was 36 to 17.

The Websterians will give a patriotic program next Friday, which the public is cordially invited to attend.

The business men and farmers are equalled, if not out-done, by the E. H. S. students in their disappointment over the failure of the Cascade County Bill. It is certain that if the said bill had come up before the assembly, it would have been passed by an overwhelming majority.

A Freshman-Sophomore basket ball game was held Monday afternoon ending in the score of 16 to 13 in favor of the Freshmen.

There will be a big dance at Cogswell's Hall in Eagle Creek on Saturday evening, February 24th, under the auspices of the Woodmen of the World of Portland. All are invited to participate in this affair.

Neil Bronson and Adolph Sagner this week completed the re-shingling of the roof on the L. A. Chapman store in Estacada.
