Washington.

The many friends of Mike
Niedenthal of Estacada are
pleased to see him about again,
even if on crutches, as Mike re-
turned from the Good Samaritan
Hospital in Portland a couple
weeks ago, following a five
months confinement there owing
to being badly hurt in the shaft-
ing of the Klaetch auto truck.

The report was received from
Eagle Creek today, that John
Henkle had sold his store to
Portland parties, but the names
of the new owners could not be
learned.

There is much whispering
around the George neighborhood
now relative to an event which
will take place there February
21st but as Henry Klinker refus-
es to be interviewed, no more
news is forthcoming now.

John Schenk of the Spring-
water Christian Endeavor Soci-
ety is leaving Friday as a dele-
gate to the State C. E. Conven-
tion at Salem.

Mrs. M. Delap of Estacada en-
tertained ten little girls last Sat-
urday afternoon in honor of the
birthday of her grand daughter,
Vadis Reiland.

A deal was put through last
week, whereby the financial dif-
ficulties, which a short time ago
ended in a change of ownership
in the Klaetsch Lumber Company
of Dodge, have been adjusted
and this week, O. C. Klaetsch
has again come into his own,
with C. E. Dockendorf acting as
manager of the mills.

to enter he reached thru a win-
dow and saved 2 lamps and a
mirror, his loss is quite heavy,
with but little insurance.

Parent-Teacher Ass'n Notes

The committee in charge as
well as those who took part are
to be complimented on the excel-
lent program rendered at the
meeting of the Parent-Teacher
Association last Thursday after-
noon.

Several patriotic songs by the
pupils of the 6th and 7th grades,
a piano solo by Miss Welch and
a song, "Go Right Along, Mr.
Wilson" by five young men-sen-
iors of "E. H. S."—were much
appreciated.

Following the musical num-
bers, Mr. Demoy gave a splendid
address on "Practical Patriot-
ism", leaving no question as to
his loyalty to the country of his
adoption, The United States, and
giving this definition of his sub-
ject: "A loyalty and devotion to
the best interests of mankind,
beginning at home."

Some Machine This

The Estacada Garage has just
installed in their office a five
hundred dollar National Cash
Register, which looks like the
front of a Savings Bank. This
instrument does nearly every-
thing with a piece of money ex-
cept spend it and at the end of
the day hands out a typewritten
cash record, locks the front door,
turns off the lights and rings up
the proprietor's wife to say that
he wont be home in time for
supper.

Reed, Park and Melton haven't
gotten real accustomed to its
many uses yet, but expect with-
in a few days to have it taking
photos, playing phono records
and selling Fords.

next Friday evening at the Esta-

meet James-John H. S. of Port-
land. Also a girls' inter-class
game will take place, and all for
the admission price of 25c.

Cheese Factory Meeting Tonight

The Cheese Factory Committee
of the Farmers' & Merchants'
Club has already sent out word
by phone to all parties in this
part of the county, of a special
cheese factory meeting to be
held at the I. O. O. F. Hall in
Estacada, tonight, Thursday,
February 15th, at 7:30 o'clock.

The committee had hoped to
be able to give more advance no-
tice of this meeting, but Prof.
Barr of the O. A. C., who is con-
sidered an authority on this
branch of the dairy industry, ar-
rived in Estacada today and can
remain but a couple of days.

It is hoped that the phone mes-
sage regarding this highly im-
portant meeting will have reach-
ed all farmers and others inter-
ested in time for their atten-
dance.

The business men of Estacada
should all attend and it is hoped
that this meeting will result in
the formation of a permanent in-
dustry here.

Mrs. D. E. McConnell entertain-
ed several ladies at dinner
last Friday at her home in Cur-
rinsville.

Miss Dora Currin of Currins-
ville was hostess Tuesday even-
ing at a dinner for several high-
school friends.

Press Ferrel of Barton, who is
a little jealous of the claims of
some of his brother stock raisers,
is now modestly telling about a
year old Holstein bull which he
owns, that weighs 825 pounds
and gaining steadily.
