Bert H. Finch of Estacada is slowly recuperating from a severe attack of the grippe, which has kept him away from business and in the invalid class five or six weeks.

Every taxpayer residing within the Estacada School District should allow nothing to interfere with his or her attendance. February 24th, at a meeting with the school-board, when the question of building a new high school in Estacada will be voted upon. And in the meantime, let it be remembered that no city nor community ever attained real prosperity and growth by regarding the development of its schools and that every dollar paid in taxes for such purposes, has returned to the taxpayer many times over.

It is getting to be Clean-Up-Day time of the year, but if every property owner would begin now to clean up his or her own premises and rake the streets adjoining, there will be no need later of staging an annual Clean-Up-Day.

As to the non-resident's property adjoining, it takes no more time now to clean that lot, than it will on Clean-Up-Day and by letting your rake stray a little beyond your boundary lines, and the exercising of the belief that you are your neighbors keeper, a regular Clean-Up-Day this year will not be necessary.

While the Cascade County movement has but just begun, we wish we could say as much for the movement to build new sidewalks in Estacada. Let's use some of that surplus energy in the repair of the plank walks of our town.

Space will not allow of giving due credit to all of the good people who aided in the Cascade County cause, but the News does want to give publicity to the voluntary work done by the Misses Leila Howe and Elva Adams, who willingly kept the telephone central office open many hours overtime and on Sundays, as their donation towards the popular cause.

Mrs. Harry Jeffries and small sons of McMinnville, are visiting at the home of her parents, Mr. and Mrs. K. C. Hoygaard of Faraday.

C. W. Doak, an uncle of Mrs. John Mattoon of Viola, was taken to a Portland hospital a week ago Sunday, where he is now well on the road to recovery.

**Catarrh Cannot Be Cured**  
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. Send for testimonials, free. F. J. CHENEY & CO., Props., Toledo, O. **MEN OF STANDING TELL THEIR FRIENDS ABOUT THE BEST TOBACCO**

IVE TRIED ALL OF 'EM. A LITTLE CHEW OF W-B CUT SATISFIES AND LASTS, WITH LESS GRINDING AND LESS SPITTING.

THAT'S EXACTLY THE KIND OF TOBACCO I'M WANTING

HE TOO-- I'M TIRED OF ORDINARY TOBACCO.

W-B IS RICH TOBACCO. IF YOU TAKE A LARGE CHEW OR GRIND ON IT, YOU MAY THINK ITS TOO STRONG

**WHEN** you gentlemen get together at your lodge meetings, somebody is pretty sure to start the little pouch of W-B CUT up the line for his brothers. It's conducive to brotherly feeling. There is gratitude for the rich tobacco that makes a little nibble go so far and for the touch of salt that brings out the tobacco satisfaction without so much jaw work.
