choice and the placing of all responsibility in the hands of the County Road Boss, will have a tendency to do away with the voting of special road taxes, especially when these funds are not expended directly under the supervision of a local supervisor.

Unless a decided change is made in the amount of attention given the road districts in this part of the county by County Road Boss Roots, the local roads will be sadly neglected, as Mr. Roots is almost an unknown quantity in this community and has been since his assumption of office a year or two ago.

While there may be many good reasons for the passage of this law, they are not apparent on first consideration and it now looks as though the next move would be for contract labor on all road work, instead of letting the farmer work out his taxes.

Add to this the opportunity for the playing of politics in this department with its appointments and the new law appears to be on a level with many radical pieces of recent legislation that are doing more harm than good, with the taxpaying farmer being the "goat".

THE GOOD JUDGE SEES A HOG ON TWO LEGS

JUDGE, THERE'S THE BIGGEST TOBACCO HOG ON EARTH, ALWAYS ASKING FOR A CHEW OF W-B CUT AND PUTS HALF A POUCH IN HIS FACE — THEN SAYS IT'S TOO STRONG.

WHY MAN! THAT'S A WASTE OF GOOD TOBACCO. W-B IS RICH TOBACCO AND A SMALL CHEW IS ENOUGH FOR ANY MAN. DON'T HAVE PEOPLE CALLING YOU A HOG.

SOME call these face-stuffers hogs, some call them S gophers. But they are getting scarcer and scarcer since gentlemen found out about W-B CUT Chewing. There is no excuse for a man making a monkey of himself today. The fine rich tobacco flavor was put into W-B by nature, the touch of salt brings it out nice and tranquil like, without your worrying your jaw around continually. W-B is getting to be pretty nearly as popular as sunshine these happy days.
