Cascade Dance Nets Over \$80

A record was established at the Cascade dance held at the Estacada Pavilion last Saturday evening, when nearly one hundred tickets were sold, with over two hundred dancers and spectators in the hall.

This record was also maintained in the delightful midnight supper, which was donated, prepared and served by the ladies of the C. I. C. The dainty meal set a new mark for deliciousness, from the good coffee with real cream, to the chicken and ham sandwiches and home-made pies smothered in whipped cream.

The music by the Bronson-Erickson orchestra was also extra good, comprising seven pieces during most of the evening and relieved for a few dances by the music of Fred Davis and daughter of Garfield, who played the accordion and piano.

Several novelty features added to the enjoyment, including a repetition of the George Washington Minuet, as danced by the Misses Jean Adix and Florence June Reed, supported by Masters Tommy Jorg and Irving Cadanau of Estacada.

Manager Laurry of the committee, reports a profit of \$81.25 after paying for the music, printing and a few supplies, which sum will go towards offsetting the present indebtedness of the Cascade County movement.

To much credit cannot be extended to the ladies and men who made this entertainment such a success and the thanks are due the dancers who were in attendance from all outlying sections, as well as to those non-dancers, who purchased tickets and to the P. R. L. & Co. which kindly donated the pavilion.

St. Patrick's Day Party

On Friday, March 16th, the Sunday School of the Methodist Church will give a St. Patrick's Party in the church and basement. Proceeds will be applied on the piano fund. Program will be announced later.

E. H. S. Echoes

Edited by Lena Cahill and Lloyd Saling

The school fair held Friday was well attended. The exhibits from the high school were better than formerly but those from the grades were hardly up to what they had been heretofore. The program for the day was enjoyed by a large audience. The winners in the declamatory contest were; Waldo Denny and Doris Finch tied; second Edward Fleming.

The winners in the spelling contest were, Helen Wooster, 7th grade and Ralph Wade, 8th grade.

The 6th grade won the cooking contest.

What's the matter with Oregon City?

They may be capable of carrying away a small majority of scores at football but they won't even ACCEPT a challenge to debate on a question like "Resolved: That the people of Eastern Clackamas County are entitled to a new county, providing that House Bill No 165 be the basis of boundaries". They may be afraid of E. H. S. debating team and they may be afraid of the question. We think however that they have reason to be afraid of both.

The High School play "Thompson of the Varsity" was well attended and, judging from reports, enjoyed by all present.

The proceeds amounted to \$52.90, after all expenses were paid. To the students who spent much time in selling tickets, much credit is due. E. H. S. is proud of the school spirit thus displayed.

Francis Reynolds entered school as a Freshman, Monday morning.

Mrs. Sarah Palmateer of Garfield, is reported to be seriously ill.

A. M. Jannsen, Jr., after a few days visit at the home of his parents in George, is leaving this week with his wife and child for their home at Glasgow, Montana.

The annual exhibit at the Tracy school was well attended last Friday afternoon. After a patriotic program, refreshments were served.

That Potato Planter is a dandy

so say the Howell boys, after giving it a fair trial.

This is the PLANTER that never misses a hill. 100% PERFECT. It will also plant CORN, BEANS, PEAS, etc, or it can be used to hill up the rows.

We have a sample in Stock — Come in and give it the once over. — Can sell on easy terms.
