The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

LISTEN TOMMY! W-B COLORS MUST WIN TO-DAY

YOU CAN BET YOUR LAST CHEW ON THAT JUDGE. THE STABLE BOYS CALL HIM "SMALL CHEW" BECAUSE HE LASTS LONGER THAN ANY PLUG IN THE FIELD.

YOU men get to putting reliance into good stock. Ever since you learned of the rich tobacco of which W-B CUT Chewing is made, there has been a big and increasing demand for it. The idea of shredding the leaf, so that you can get at the tobacco satisfaction without so much grinding and spitting, has made a winning with men also.
