Carnival

It will be one round of perfect, paramount pleasures — with a gay galaxy of gorgeousness — stupendous, staggering stagings — amazing, awe-inspiring, animated

Amusements

Dont miss the vivacious, vacillating, yet virtuous

Vaudeville

with a vast variety of violent, vehement but not vulgar acts.

You'll want to witness the wonderful, warlike, wriggling, wrenching

Wrestling Matches

You'll never cease regretting, if you dont see the hot, hellish, heartrending rendition of H A D E S.

The dainty, dangerous, daring, dazzling DOLL - RACK.

The breathless, brilliant, bewildering BALLOON ASCENSION.

The beauteous, bully, burlesque BABY SHOW.

The massive, monstrous, modern and magnificent MUSEUM.

The appetizing, odoriferous, ostentatious, original ORIENTAL CAFE.

And last but not least along with an amazing, alluring, bewildering aggregation of exhibits will be the quaint, quivering, quiet quintessence of the CARNIVAL
