Hardware Men In Wrangle

The ever pervading peace and harmony, which for years has permeated the circumambient atmosphere in the Finch Hardware store in Estacada is likely to soon come to an inglorious ending, for Bert and Bert are scrapping over the merits of their respective makes of automobiles.

Bert, the boss, lately bought a new Chevrolet from the Cascade Garage and Bert, the assistant boss, bought a slightly used Ford from the same source—so now each is claiming he will have to tow the other back into port.

Honors are now in favor of Bert's machine.

The Estacada Garage reports the sale of a Ford car this week to E. T. Bateson of Viola.

Mr. and Mrs. Roy Vance of Tacoma, who are on their wedding tour, are visiting at the homes of her brothers, Walter and Jake Looney of Currinville.
