City Election June 5th

Probably, owing to the present methods of advertising employed by the City of Estacada, namely of posting or hiding important public notices on a few telephone poles, few people know that a regular election for the City of Estacada is called for June 5th, at which time a new mayor and other city officials are supposed to be elected.

While this election has been ordered it may not be necessary to hold same, all depending on the outcome of the constitutional amendment to be voted upon by the state, on June 4th, the day preceding. This amendment, if passed, will make it lawful that all city, state and town elections be held on the same day; consequently if no election is held in Estacada on the 5th, the present city officials will hold office until the November election next year.

County Christian Endeavor To Hold Rally at Estacada

A rally of the Clackamas County Christian Endeavor Society will take place at the Estacada M. E. Church next Sunday, May 20th, the program beginning at 3 p. m., and continuing throughout the evening.

The obtaining of this rally here is largely due to the efforts of Lewis Jones of Estacada, who is the secretary of the county organization.

Among the speakers on the program will be State President Elbert Charman of Oregon City and ex-State President G. E. Baker of Portland.

An interesting program has been arranged including the following subjects which will be ably presented: Missionary Conference; Lookout Conference; Junior C. E. Work; Efficiency; Oregon Christian Endeavorers at Work, and other phases of the Christian Endeavor activities. The Public is cordially invited to attend and enjoy this rally.

Dynamite Cap Punctures Brothers

Robey and Carl Lyon, the youthful sons of Mr. and Mrs. Sherman Lyon of Barton, late Tuesday afternoon, were brought to Estacada for medical attention, following the proverbial result of two small boys fooling with a dynamite cap.

By the time Dr. Adix had completed the picking out of powder and particles of brass, the boys resembled Comanche Indians ready for a war dance, with their necks, faces and chests, well spotted with iodine and discolored patches.

Luckily none of the flying particles had lodged in their eyes, although, only that Providence which looks out for little boys, was responsible, as the victims received cuts and lacerations on all parts of their faces.
