Dick Githens of Currinsville, in a letter mailed from Spokane and headed "enroute east"—asks that his News be sent to Mrs. Githens at Central Lake, Mich.

The Milk Situation

C. K. Lovell of Currinsville, after a six-months' attempt to build up a permanent milk route in Estacada, has this week announced his withdrawal from the field.

Mr. Lovell's reasons for discontinuing the route are lack of sufficient patronage together with the increased cost of maintaining his Jersey herd and dairy equipment.

It was reported by Councilman Wagner at Tuesday's Council meeting that following the enforcement of the Estacada herd law, an advance in the price of milk would probably be made by the local cow owners. Such action is not a surprise to the consumers who realize the present increased cost of milk production.

President Ewing of the Estacada Cooperative Cheese Assn. holds out hopes that some equitable arrangement may be made by the Estacada people for the obtaining of milk and cream from the cheese factory as soon as it is in operation.

Soldiers Present Loving Cup

As a token of their appreciation, for the many courtesies and kindnesses shown them by Mrs. N. L. S. Laury of the Hotel Estacada, the soldiers of Company D, stationed here, this week presented to her a beautiful, golden, filigreed loving-cup.

The Estacada Feed & Lumber Company was awarded the contract of supplying all of the lumber and other building materials to be used in the building of the high school. This contract calls for about \$5,000. worth of materials and with local labor hired by the contractors, aids much towards Estacada's prosperity.

Arthur Rice, formerly of Estacada but now residing at Wapinitia, was an Estacada visitor this week and may remain in this section if he finds suitable employment.

Those who were exempted from all Eighth Grade State Examinations in the Estacada Schools were—Bertha Devore, Lyla McKinney, Ray Heiple and Joseph Woodle, while those who were exempted in all subjects but one, were Lydia Matson, Makey Sagner, George Douglass, Otto Hoygaard and Ralph Wade.

The faculty of the Estacada Schools was royally entertained last week at a dinner, given by Mrs. C. C. Saling of Currinsville, whose son Lloyd is the president of the senior class. As usual Mrs. Saling crowded the capacity of her guests with foods of unexcelled toothsome-ness.

MR. HUCKLEBERRY OFFERS CONSOLATION.

I'M NO GROUCH, BUT I'M SO TIRED OF ORDINARY TOBACCO AND WANT A CHEW OF GOOD TOBACCO SO BAD, I'D DO ANYTHING FOR IT.

THEN, "I'M YOUR HUCKLEBERRY" JUST TAKE A LITTLE CHEW OF MY W-B CUT AND BE SATISFIED WITH LIFE.

I KNOW JUST HOW THE POOR FELLOW FEELS.

THERE is one thing no man on earth can do, and that is to put sappiness into cheap, coarse tobacco. It takes the richest, sappiest tobacco that grows, to make satisfactory chewing. That is why so many are changing over to W-B CUT. Excess sweetening makes a poor substitute with intelligent people. Pound for pound, there's more tobacco in W-B than in ordinary plug; and it's sappy tobacco, every shred of it.

Mr. and Mrs. Frank Ewing of Viola entertained a number of the young people last Saturday evening, in honor of her sister, Miss Ivy Elder, who left Sunday for her home at Chico, California, following an extended visit here.

A pleasant gathering was held at the home of Mr. and Mrs. L. A. Chapman of Estacada on Thursday evening, when a number of the young folks gathered to celebrate the birthday of Miss Ina Chapman. The evening was spent with music and games, followed by ice cream and cake.
