alleys. Let's keep the highways and vacant property free from boards, lumber and brush piles, and forever quit throwing papers, peelings and the like on the street and sidewalks.

While the actual expenses of the clean-up were defrayed by the Estacada City Council, they wish to heartily thank the ladies for their important part in the work, and the soldiers and townspeople for their services, and especially thank those of our neighboring rural friends who not only freely joined in the work but freely contributed their teams and wagons.

Huge Flag Raised

On Tuesday morning, on the flag pole at the entrance to the Estacada Park, the soldiers of Company D raised a magnificent twenty-foot long American flag, which will be maintained there until such time as the city can purchase its own emblem. This flag was loaned by Mrs. M. H. Evans of Estacada and is to be raised and lowered each day by the Company D men.

Word was received this week from Mr. and Mrs. E. Ellison of Camas, Washington, who formerly resided in Estacada, of the birth of a son last Thursday.
