### Phone Us Your Orders

Those of our customers who realize that we are specialists in our line, food for man and beast often rely on our judgement to supply their wants. One man has traded with us for over six months and we just met him the other day. His orders came in by mail or phone and we marketed several hundred dollars worth of eggs that he has sent to us.

Our two per cent discount is good on all produce that we take in exchange for merchandise. We want you to take advantage of the discount. One lady received \$2.25 for some tickets she brought us recently. She remarked that she had failed to save all her tickets. We recommend taking the discount at the time of making the purchase. It is our aim to make it as easy as possible to trade with us and we try never to lose sight of the fact that "A satisfied customer is the best advertisement".

### Carload Of Hogs And Cattle

Wednesday, we shipped a mixed car of stock and in two weeks we will make another shipment for which we solicit your offerings.

### Useful Glass Fruit Jars

—vs—

### Useless Tin Cans

Just a minute please — and leaving, aside all prejudice—  
Which would you prefer? Coffee in glass jars or tin cans?  
Right down in your heart—you know very well that, value of contents being equal—  
You would choose the GLASS FRUIT JAR.  
There you are—Well, we have steel cut coffee in the Economy quart jar for 40c or in the wide Mouth Mason for 30c.

### Canning Season Here

Sunday, food conservation will be discussed in the churches but already the house wife is practicing what will then be preached, if the number of fruit jars we are selling is any indication.

With the opening of the canning season we are showing a complete line of fruit jars at prices which are very reasonable.

We can supply jars in any quantities and at prices which range from 60c up. We have extra rubbers and tops. Why put off ordering those jars any longer. Have them on hand when you need them.

### Farmers And Merchants Banquet

The success of the dinner Tuesday night, at the hotel Estacada was due entirely to the efforts of the ladies of the C. I. C. who so kindly consented to take it in charge. We want to take this opportunity to thank them for furnishing the entertainment, which enabled us to play host to the Live Wires.

### Just Four Words

In a big elementary school a teacher had given a lesson in an infants' class on the Ten Commandments. In order to test their memories she asked: "Can any little child give me a Commandment with only four words in it?"

A hand was raised immediately. "You may answer, John," said the teacher. "Keep off the grass," was the reply.

### One Dollars Worth Of Seeds For Eighty Cents

What we have left of our seeds are going at 20% discount. The season is growing late and to close out our line of seeds we are offering them at a big saving. It will be worth while to lay in a supply of staple seeds for next year.

Remember our 2% Cash Discount tickets are redeemable at any time.

We believe that a satisfied customer is the best advertisement.
