Mr. and Mrs. N. L. S. Lauryy of Estacada returned this week from a weeks business trip to Myrtle Point, Bandon and other coast points.

Miss Hattie Belfils of Estacada is visiting for a couple of weeks in Roseburg.

Beverley, the three year old son of Mr. and Mrs. Lee Bronson of Estacada was taken very ill this week, necessitating a conference of the local physicians, but last reports indicate that the little fellow is getting along as well as could be expected.
