# THE WEEKLY

Devoted to the stimulation of civic and community pride - the patronizing of home industries - and the boosting of the W. Givens Company, Incorporated.

# BOOSTING SPIRIT

Vol. 1 No. 33

July 19, 1917

Estacada, Or.

## Berry Sugar

A third shipment of Pure Cane Berry Sugar arrived this week that will soon be gone, if price is any object. We are going to make a special of it again, for the benefit of those who are still putting up fruit.

## Fly Chaser

A man came into our store and asked for a can of "Fly Repellant" to check the flies, a can of "Fly Chaser" to get them into reverse and some "Fly Knocker" to finish them with - but the fact of the matter is, that any one of these three articles is sufficient to make any fly take to the timber, and we sent our joking friend home with one can, which did the business.

## 2 per cent Discount

A leading grocer of Frankford, Penn. is enforcing the following rule which he has posted in his store:— Our reduced prices are based on cash, but for the convenience of those who have had satisfactory accounts with us in the past, we will open what we term an "Accommodation Account" as follows: All bills will be due on the Monday following date of purchase, plus 2% to cover bookkeeping expenses and unless paid by Tuesday night, the account will be closed.

We allow 2% discount for cash and all bills are payable before the 10th of the month following date of purchase.

## Half Ground Salt

If you prefer half ground salt for your hay - we have the 50 pound bag for 35 cents and the 100 pound size for 65 cents.

A new stock of Blatchfords Calf Meal has just arrived.

## Crackers

Our special on lard proved so attractive that we exhausted our stock in five days.

This week we are making a special display of crackers which we are selling at prices so low, that when you see them, you will think the war is over.

## Speaking of Pantry Shelves

Is that top pantry shelf filled to capacity with jars of delicious canned fruits, preserves and vegetables? Just think of the coming winter, and then act while there is yet time. How many fruit jars will you need to fill all those shelves? What kind do you prefer? Our prices on jars range from 65c per dozen to \$1.50. We have a wide variety to select from.

Here are a few of them:-

Schram's Wide Mouth Fruit Jars  
Drey's Perfect Mason Jars

Ball's Patent Fruit Jars  
Self-Sealing Mason Jars

The Kerr Economy Jars  
Atlas Strong Shoulder Jars

Remember our 2% Cash Discount tickets are redeemable at any time.

We believe that a satisfied customer is the best advertisement.
