6. Board must decide on application within three days after final day for submission of proofs.

7. Men not applying for exemption or discharge, and not rejected in physical examination, and those applying whose applications are denied, will be certified by local boards as being called for military service and not exempted or discharged, and their names posted. Men whose applications are denied will be notified by registered mail.

Gerald Hunt, Son of
Guy T. Hunt, Looses
Life in Saw Mill

News of the accidental death of Gerald Hunt, son of Mr. and Mrs. Guy T. Hunt, formerly residents of Garfield, was received in Estacada this week.

The accident happened last Saturday afternoon at the White Pine saw mill in the eastern part of the state, where Gerald was employed by the White Pine Lumber company. There was no witness to the accident, but it is supposed that he fell into the moving band saw, one arm and one leg being severed. He lived only a few minutes after the accident.

Gerald was about 16 years old and lived with his parents at White Pine. This affliction to the Hunt family is sure a sad one, coming as it does so soon after the loss of another son by drowning, just a few months ago. The family has the sincere sympathy of their many friends in this locality.
