Holstein Dairy Feed

This is a molasses Feed which sells for \$2.10 per hundred. A little of it will go a long way as a substitute for the fast drying pastures. It is the feed that makes the cows come up the lane at night.

Zink Mason Jar Tops

Since the new Mason Jar tops have appeared, some people refer to zink tops as "The old fashioned tops." We have both the lacquered and old fashioned zink tops. No matter which kind you prefer we should be glad to supply you. If you need fruit jars, you will find our stock of Mason and Economy Jars is still complete. There is still time to help Hoover in the kitchen.

Live Stock Shipping

We shipped a mixed car of live stock Wednesday. Top hogs were \$16.75. Just as soon as it is possible to list another car we will ship again.

Standard & Superior Binder Twine

In response to the many calls we have had for binder twine, we have secured several bales of the Standard and the Superior Twine, and are prepared to supply you.

Watch your Horse's Health

The dry season may be responsible for the prevailing sickness among horses and cattle, but nevertheless a little tonic or conditioner,—we can recommend several,—is worth a lot of medicine later on, and may save the animal's life.

Sacks And Sack Twine

We are buying and selling second hand sacks. We have a supply on hand at present, but are in the market for a few more, and will be glad to quote you prices if you have any to sell. We have sack twine in any amount you may need.

Remember our 2% Cash Discount tickets are redeemable at any time.

We believe that a satisfied customer is the best advertisement.
