Earl Kilgore, formerly of Springwater, who a year or so ago moved to Chicago, where he has been connected with the Nelson Morse Packing Company, is now in Chattanooga, carrying on a series of experiments for the Government. While Mr. Kilgore is still in the employ of the Nelson Morris Company, his services as a refrigerating expert were needed by the Government and may later lead to his going to France to continue the work.

Henry Cromer of Springwater, who for years was road supervisor in that district, cannot get out of the habit and last week donated and spread a load of gravel in the low spot near the water-trough at the end of the bridge.

Mrs. Thomas Eaden of Viola has been quite ill for the past two weeks but is reported slowly improving at present.

Gerald Hunt Victim Of Negligence

In a letter received by the News from Guy T. Hunt of White Pine, Oregon, formerly of Garfield, whose son Gerald was killed in an accident in the White Pine Lumber Company's mill August 4th, Mr. Hunt encloses a clipping which reads "White Pine boy was victim of negligence. Investigation discloses fact that the sudden starting of the carriage pushed Gerald Hunt into saw, causing his death."

Mr. Hunt further says "He was struck over the heart and instantly killed before the saw touched him."

Funeral services were held the following Monday, in Portland, with interment in Multnomah Cemetery, by the side of his oldest brother Will Hunt, who was drowned during service in the U. S. Navy about a year ago.

More Buyers Of Chevrolets

The Cascade Garage of Estacada reports the sale of Chevrolet cars in the past two weeks to J. A. Hite of Boring, John Dowty of Alspagh, George Fournier of Boring, and Gerald Wilcox of Eagle Creek and also report the sale of used Ford cars to S. M. Ellison of Sandy and Guy Wilcox of Springwater.

Mrs. M. H. Evans and son Milton of Estacada, left Monday, for an outing at Seaside.

Miss Eleanor Bews of Soda Springs, Idaho, who was an E. H. S. graduate in 1916 is visiting at the C. R. Lovell home in Currinsville, where she will remain for a time prior to the opening of the Dover School, which she will take charge of this year.

Mrs. Mary Bartholomew of Heppner, Oregon is visiting at the home of her son, Fred Bartholomew of Estacada.

Mrs. A. H. Standish and son and daughter, Stuart and Lora, after a summer spent at the Standish ranch in Garfield left this week for their home at Oak Park, Illinois, returning via San Francisco. A. H. Standish will remain for a month or two longer, aiding his son P. F. in the harvesting of the crop.

Walter Bartholomew of Portland is now in Estacada where he will shortly begin the building of the new house on the Boulevard for his brother Fred. By mistake, the News last week stated that J. A. Somer the former owner of the lot was to have the house erected, but we are advised Fred Bartholomew purchased the lot and will have his brother build his home.

Chance For Children

To Make Money

Manager Deming, of the Estacada Cannery, as usual, is the embodiment of optimism and is looking for a good supply of produce for his plant from now on. If a rain is forthcoming within the next week, he expects a plentiful supply of evergreen berries, prunes, green gage plums and string beans, for which the cannery will pay top prices.

In the picking of the wild evergreen berries for this purpose, there is an opportunity for the children as well as grown-ups to earn money easily, for the cannery will pay 3c per pound, besides furnish the boxes and crates and call for the berries.

On Thursday, Aug. 16th, the Garfield Dorcas Society met with Mrs. W. W. Dillon. Work was begun for the Red Cross. Desiring to "do its bit" and cooperate in the food conservation, it was voted that refreshments at the afternoon meetings be dispensed with until the war is over.

Garfield Grange 317 will hold its next regular meeting Saturday evening, Sept. 1st at 8 P. M.
