Devoted to the Interests of Eastern Clackamas County

VOLUME 10, NUMBER 51

ESTACADA, OREGON, THURSDAY, SEPTEMBER 6, 1917

\$1.50 PER YEAR

East Clackamas County Fair

To be held in Estacada Wednesday, Thursday and Friday,
September 12, 13, 14. Governor Withycombe to speak.

Official Registration Of Women

By official proclamation, Governor Withycombe has designated September 15th as official registration day for the women of this state.

This registration is wholly voluntary and is for the purpose of the federal government becoming familiar with the woman power of the state—listing all girls and women, both trained and untrained, for work in the government service in some capacity, should it be found necessary for the nation to call upon the women of the country to take the places of the men in industry in order that men may be released to join the colors. It is also essential so that trained female help may be secured for government positions and positions directly connected with military affairs that can be filled by women.

A properly printed card is to be filled out by every woman and on the day of registration all assistance will be rendered in filling the card. Local committees have been formed in nearly all localities of the state for the purpose of caring for this work on September 15th. Detailed announcement will appear in the News later, showing places of registration in this district.

Aged Woman Passes Away

Mrs. Zilpha A. Davenport, aged 82 years, who resided at the home of her daughter, Mrs. W. Glazier, near Linn's Mill in Upper Garfield, died August 30th.

Funeral services and burial were held the following day at the Mt. Zion Cemetery, Rev. Weld of the Springwater Presbyterian Church officiating.

The deceased is survived by a daughter, Mrs. W. W. Glazier of Garfield; a sister, Mrs. Mary Dyckman of Cabool, Mo. and two grandchildren, Viola and Eugene Glazier of Portland.

Beginning with next Friday, Sept. 7th, when the George Community Fair will be held all day, at the grounds of the George Commercial & Social Club, the local exhibit season opens.

On Wednesday, Thursday and Friday of next week, Sept. 12th, 13th and 14th, will be held the fourth annual East Clackamas County Fair, the exhibits being staged in the play-shed of the Estacada Schools, with the poultry and other livestock shown in tents adjoining.

Despite the harm done to crops by this season's drought, the exhibits of grains, fruits, vegetables and general farm produce is expected to equal, if not surpass former years, as the Board of Directors already have promised of an abundance of first class exhibits from all Eastern Clackamas sections.

It is expected the individual exhibits taking the place of the former community displays will greatly add to the quantity and quality of the showing, this being especially true of the exhibits of poultry, hogs, sheep, horses and cattle.

The exhibit hall will be more systematically arranged this year than last, with the displays on shelves around the building and with ample room left for demonstrations, lectures, addresses and other special program features.

Every resident of this community is especially urged to make one or more personal exhibits, no matter if the exhibit is not up to the standard of former and more productive years. These exhibits, excepting the livestock, must be in place not later than 9 P. M. Tuesday evening, Sept. 11th, with the livestock allowed to be brought onto the grounds as late as 9 A. M. Sept. 12th.

The fair will occupy three days, the 12th being designated as Patriotic Day; the 13th as Juvenile Day and the 14th as Ladies' Day. On each morning of the fair, on

Harkenrider's field nearby, will be held tractor plowing demonstrations, with the Staude-Mak-A-Tractors being especially featured by the Cascade Garage, the Estacada agents, and it is expected one or two other makes of tractors will also be seen in practical operation.

At 1:30 P. M. of that day will be given a special program, with a number of well known men as speakers. At 3:30 will take place a rousing, fast baseball game, between rival ball teams from this community. It is also expected the Garfield Band will be in attendance and their patriotic music will add to the enjoyment.

Thursday's Juvenile Day program will be in charge of the Estacada Schools and an unusually interesting program of lectures, talks and sports is promised, including the address at 1:30 that afternoon by Governor Withycombe.

In the forenoon, Gordon J. Taylor the well known lecturer and humorist of Molalla will speak and other attractions presented by the students will take place, including musical selections, a base-ball game and sports. In the evening in the auditorium of the new high school building, commencing at 8 o'clock there will be an illustrated lecture by Prof. U. G. Dubach of the extension department of the O. A. C. This day will also be the wind-up of a whirlwind campaign of enrollment of students and as the new school building will be open for inspection, a crowd is expected.

On Friday, the Ladies' Day will be in charge of the ladies of the Estacada Civic Improvement Club and a program replete with musical and special attractions is promised, including in the morning, canning and drying demonstrations for the housewives, these demonstrations being presented by one of the state's recognized authorities.
