### Large Garfield Orchards Traded

A deal was consummated last week, whereby the Wonacott orchard property in Garfield was traded for orchard and alfalfa property at Murphy, Idaho.

The Garfield property was owned by C. N. Wonacott of Portland, who was one of the pioneer orchard owners in the Estacada country, the new owner being a Mr. Dewade of Portland, who will probably occupy the place.

Al Stephens and family, who for several years have been in charge of the Garfield place, are leaving this week for Hood River where he will manage the Wonacott Orchard, comprising about 25 acres of bearing trees.

Last Thursday evening's show at the Family Theatre was one of the best ever seen in Estacada, as "Pots and Pans Peggie" was all that it was heralded as being, namely one of the cleanest, best acted and entertaining of film plays. A continuance of such high grade pictures will prove an attraction in Estacada.

As fast as the gravel is received from the Bell Pits, it is now being unloaded and spread on the roadway on Fifth St. in Estacada, the work beginning at the Terrace Addition end.

### Carver Line To Extend To Viola

According to advices received from the Public Service Commission, the Portland & Oregon City Ry., commonly known as the Carver Line, is planning to extend its line to Viola, from the present terminus near Baker's Bridge.

Reports of the contemplated activities of this road have been current in this country for several years and it is hoped this latest move means business.

### Friday - Tire Conservation Day

On Friday, Sept. 14th at the Estacada Garage, an expert from the Goodyear Tire Company of Akron, Ohio will be present and bring to the motorists of this community, all of whom are invited, first hand information on the saving of tires and expert inspection and advice of a kind that could not be secured in any other way or at any other time. It is absolutely free.

Mrs. James Park and children of Estacada are visiting at the home of her parents, Mr. and Mrs. J. H. Brokaw at Forest Grove.

Sylvester Wonacott of Kimberley, Idaho, who up to four years ago resided in Garfield, was a visitor in that section for a day last week.

### Chevrolet Wins

At the recent Labor Day races in Tacoma, R. C. Durant, Vice President of the Chevrolet Motor Company, won the 50 mile race and on the same day, Louis Chevrolet won the Grand Race at Chicago, defeating the great racer DePalma. Louis Chevrolet's brother won third in the same race. These are the real tests of durability and power and the Chevrolet always wins.
