the right stuff and as good or better than has appeared on the local gridiron for years.

Coach Rutherford should turn out a county championship team with this material, for all men are husky and willing to learn.

The line-up was as follows:-

- C. Somers
- R.G. Coop
- R.T. Heiple
- R.E. Lovelace
- L.G. Douglass
- L.T. W. Smith
- L.E. D. Drill
- R.H. Stormer
- L.H. Sarver
- L.F. R. Drill
- R.F. Jannsen, Capt.

Subs. Hannah, E. Smith, Hill.

Estacada expects to play the fast Franklin High team of Portland this week, on the Franklin grounds and later on the 19th will tackle the Gresham gang. Franklin, which is one of the fastest teams in the state will probably easily defeat Estacada, as they did Gresham, but nevertheless the local boys will get good practise going against Coach Dewey's men.

The school spirit, as shown in the rooting and "serpentine" exercises, is the best ever displayed here, with the yells no longer confined to the high soprano of the girl's voices, although led by yell-leaders, Ruby McWillis and Sadie Wilcox.

If the E. H. S. team develops as expected and the continued good school spirit is shown by the student body and a few more of the town's people make it a point to attend the games, this community will be well advertised in interscholastic football this season.

Christian Endeavor Rally Sunday

The largest Y. P. S. C. E. rally ever held in this portion of the county is scheduled for next Sunday afternoon, October 14th at the Springwater Presbyterian Church, commencing at 3 o'clock.

Members and friends of all C. E. societies in Eastern Clackamas County are cordially invited to attend, bringing their basket suppers, which will be enjoyed during the recess hour from 5:30 to 7:00 P. M.

Among the guests will be the county C. E. officers and several of the state officials, among them being Miss Helen Orr, State Secretary of Portland; G. Evert Baker, ex-State President of Portland; Miss Shirlee Swallow of Milwaukie, State Prayer Meeting Superintendent, and Dr. Roy Prudden of Oregon City, who will lead in the singing.

A baby daughter was born Sunday, Sept. 31st to Mr. and Mrs. John Mattoon of Viola.

Alternates Not Accepted

Harry C. Reid of Garfield and Ennis Townsend of Bull Run, both of whom, as alternates, had expected to enlist in last Thursday's call for the the third quota from this county, have returned home, as the full quota was obtained and the alternates not needed.

Within a short time, a fourth call for seven more men will be made to make up the original 52 recruits from Clackamas County. In this call, Messrs. Reid and Townsend will probably be enlisted, as they are first in line.

Apple Growers Attention

The final meeting and demonstration of the Garfield Spraying School, conducted by experts from the O. A. C. on the C. N. Wonacott and E. Krigbaum orchards in Garfield will occur next Saturday afternoon, October 13th at 2 o'clock.

All growers of apples or others interested are invited to be present, as Prof. W. S. Brown, Assistant Professor of Horticulture and Prof. H. P. Barss, Head of the Plant Pathology Dept. will be in charge.

This spraying school has been for the control and prevention of the apple scab and codling moth, which diseases are the principle ones in this section and every orchardist should profit by this meeting.

Warren Kerrigan Here Saturday

Warren Kerrigan, one of the most popular of the movie actors will be seen in the feature play, "The Measure of a Man" at the Family Theatre next Saturday, October 13th, with performances afternoon and evening.

On this same bill will also be shown the "Ford Weekly" and a comedy entitled "A Case of Beans."

On Thursday, October 18th, Pearl White in "May Blossom," a five reel feature, will be shown. This is a Pathe color film and heralded as one of the best of the season.

The Garfield Dorcas Society will meet October 18th, at the home of Mrs. L. J. Palmateer.

Miss Hattie Belfils of Estacada is now attending the O. A. C., having left for Corvallis early in the month.

G. E. LaFollette of Helena, Montana, formerly editor of the Estacada Progress, is now enlisted as assistant commissioner of the Montana Inspection Department. Mr. LaFollette lately resigned as editor of the Helena Independent and hopes to offset some of the prejudice now attached to the family name, since "Uncle Bob" has flown off on a pacificism tangent.
