Estacada To Play At Gresham Friday

The return game between the Estacada and Gresham high school football teams will take place next Friday afternoon, November 2nd, at Gresham, when the hardest kind of a battle is expected.

Two weeks ago, on the home grounds, Estacada decisively defeated the Gresham team by a score of 13 to 2, but Gresham's lineup was below normal, due to the absence of two star players, who had been injured. One or both of these men are expected in the game Friday and as Estacada may be without the valued services of Heiple, who this week was injured by the kick of his auto crank, a mighty hard struggle is due.

The E. H. S. student body and friends will attend in a crowd and will make our neighboring village of Gresham wonder if an Indian uprising has started.

The schedule for E. H. S. to date is for games at Camas, Nov. 10th—at Vancouver, Nov. 16th—at Estacada, against Milwaukie, Nov. 23rd and at Oregon City on November 30th.

Well Known Rancher Dies Wednesday

At 3 o'clock Wednesday morning, October 31st, at the family home near the Eagle Creek falls, occurred the death of William G. Domm, a well known and popular rancher of this community.

Mr. Domm, who was in his 56th year, had been in failing health for the past year and for many months suffered from temporary blindness, incident to his brave struggle against chronic kidney trouble.

The deceased is survived by his widow and son, Victor, both of whom were at his bedside at the last.

Funeral services will be held this afternoon, at the Multnomah Cemetery, where interment, in charge of undertaker Chapman of Estacada, will take place.

The sincerest sympathies are extended to the bereaved wife and son, and the sorrow is shared in part by all who were privileged to know Mr. Domm, whose cheerful smile and sunshiny disposition had won for him many close friends in this community.

LIBERTY LOAN OVER SUBSCRIBED

\$15,750 FROM THIS COMMUNITY

Eagle Creek And Barton Heavy Contributors

While officially the Second Liberty Bond campaign ended Saturday evening last, the demand from patriotic citizens of this community has been so great that applications were accepted by the Estacada State Bank, which institution acted as the official clearing house for this section, up to the early part of this week.

The following comprises the list of local subscribers, although probably over a thousand dollars from this district was subscribed through Portland, Oregon City and other banks.

Eastern Clackamas may well be proud of its showing, which is representative, although the names are not shown herewith of the subscribers to the First Liberty Bond issue.

Commission To Investigate Railway Tariffs

The contemplated increases in passenger and freight tariffs and the abolishing of the special school rates by the P. R. L. & P. Co., as announced in these columns last week, have been indefinitely postponed until the Public Service Commission can pass upon same, which will mean a postponement of 30 days at least.

Prof. Kilpatrick To Address Parent Teachers

At the next meeting of the Estacada Parent-Teacher Assn., which will be held the evening of November 16th at the Estacada High School, Prof. Earl Kilpatrick of the University of Oregon will speak on the subject "The Movies."

As Prof. Kilpatrick is one of the most brilliant men now lecturing under the direction of the U. of O. Extension Department, his lecture should prove an attraction here.

R. J. Werner To Speak At Garfield

The regular meeting of the Garfield Grange will be held Saturday, November 3rd, at 10:30 A. M. In the afternoon, the program will be the same as that arranged for the meeting recently postponed, with R. J. Werner, County Agriculturalist as the principal speaker. In a letter to the Grange, Mr. Werner states—"As the subject of Lime has received considerable attention in your sections during the past few weeks I will take up this question and discuss it from beginning to end, and also make a short report from the State Lime Board which will be of interest to all farmers of the County."
