### Estacada Gets Small End

Of 19-14 Score

Playing their best game of the season and fighting all the way, the E. H. S. football huskies gamely met defeat in last Friday's game against Camas, at Camas, Wash.

The game was a battle-royal and from the first to last whistle the outcome was in doubt, with each team uncorking everything it had and fighting with bull-dog determination. The open style of play was employed largely, although both teams were able to smash the line at the opportune time.

In the first quarter Estacada started off with a rush and twice brought the ball to the Camas 15 yard line, where they were held for downs, with Camas punting out of danger.

In the second period Camas, by a series of end runs brought the ball to Estacada's 5 yard line, where it took three downs to put across the touchdown. In the same period the crowd was brought to its feet by Ray Drill, who scooped up the ball on a fumble and raced 30 yards for E. H. S.'s first touchdown.

More scoring was done in the third period, when a Camas man intercepted a forward pass and ran 60 yards for a touch down. In the last quarter Estacada and Camas each bucked through for a touchdown.

Each man on the home team did his part in a creditable manner and the E. H. S. team of today reflects credit on Coach Ruthertford, who started the season with a bunch of green youngsters.

E. H. S. is offering no alibies or apologies for its defeat, nor do they wish to make anyone be-

lieve they cannot gamely suffer defeat, but if the public could have witnessed Friday's game, it would have realized that Camas' victory was not entirely a fair one.

Next Friday's game will be against the Vancouver team at Vancouver, Wash.

Lovelace, who was injured in the Gresham game will soon be out again in uniform and with the return to the game of Heiple, who has been suffering from a fractured wrist, E. H. S. will be greatly strengthened.

A return of the petty thievery that was current in the Garfield country last year, has shown up again this fall, with some sneak thief raiding several of the farm smoke-houses and cellars. If the irate farmers of that community locate the culprit, it will be a sorry day for him.

Mrs. Maud Dittebrandt and twin daughters of Spokane, are guests this week at the home of her sister, Mrs. E. W. Bartlett of Estacada.

Gordon J. Taylor of Molalla will occupy the pulpit of the Estacada M. E. Church next Sunday, at both the morning and evening services.
