Deposits \$120,000.

Estacada Defeats Vancouver 13-0

Friday's football game between the Estacada High School and the Vancouver High School teams, on the latter's field, was one of the best and cleanest games of the season, with Estacada winning by a score of 13 to 0.

The first quarter was the most interesting, during which time Estacada scored 6 points, with Sarver making the touchdown. The second touchdown, made in the second quarter was the result of a well executed forward pass from Sarver to D. Drill, which brought the ball within easy distance for Jannsen to carry it over the line.

Each man on the home team did his part, the star men being Jannsen and Sarver in the back-field and Duncan and Douglass in the line, and the return of Heiple to the game greatly helped the locals.

This was one of the cleanest games of the season and Vancouver is credited with playing hard and fairly throughout.

The next game will occur on the home grounds, next Friday afternoon, November 23rd, when the Milwaukie High School will probably be the victim, as that school has seldom put into the field a very strong aggregation, having confined its efforts to playing teams such as the Oregon City second eleven.

The wind-up and grand finale of the season will take place at the county seat, when Estacada and Oregon City lock horns for the county championship November 30th. It is expected a big following of rooters from this community will attend this game and many of the business men are contemplating neglecting business if necessary and joining the crowd on the sidelines.

Dover Doings

Contributed

Miss Ruth Brown, her mother and sister Doris spent Sunday at the Schminky home. Miss Ruth, who was in charge of the Dover school last term, is now teaching at Bull Run.

A. Lex and family moved last Thursday to Portland, where he will continue his work as a carpenter.

A special meeting was held at the Dover School Saturday, when John Krieger was elected director to fill the unexpired term of R. C. Frace who resigned. The meeting also voted an additional three mill tax.

Dr. Watters of Portland is at his ranch harvesting his potato crop.

The Misses Iva and Agnes Udell were entertained at the home of Mr. and Mrs. Walter Kitzmiller Sunday.

Miss Lulu DeShazer was visiting with the Updegrave family Sunday.

Many of the farmers from this community are this week attending the Pacific International Livestock Exhibition in Portland and as has occurred in former years, a number of thoroughbred animals will probably be purchased and brought back here.

We're One Year Old Thank You!

In celebrating our first birthday, November 16th, we take pleasure in looking back over our first year's business and while we are far from an attainment of our aims and ideals, we are congratulating ourselves on the substantial and prosperous business which we have built to date.

We thoroughly realize that our success has been largely due to the generous patronage of our many friends and patrons of this community, coupled with our own willingness and desire to do our best to serve those wants.

Starting in a small way, our store and warehouse now contain a complete line of flour, feed, groceries and other necessary staples, with our yard handling a full line of lumber, shingles, lathe, sand, cement and general building material.

Our delivery department, which at first consisted of faithful old Frank (our horse) has now been augmented by the addition of a Ford car. As prompt delivery is important for our success, we will continue to uphold our reputation in that line.

In conclusion, we wish to sincerely thank our many friends for their patronage and support and hope during the following years to be able to even more satisfactorily supply their every want and to our mutual advantage.
