COUNTY CHAMPIONSHIP UNDECIDED

Estacada And Oregon City Battle At Football To A Tie Score

In all probabilities, the high school football championship of Clackamas County will have to remain undecided this year, as last Wednesday afternoons game at Oregon City, resulted in a no score on both sides.

This contest was one of the gamest struggles ever staged in the county interscholastic history, with neither team able to advance the ball nearer the goal than the twenty yard line.

Canemah Field, on which Oregon City has to stage its games, while ordinarily a rough, rock strewn spot, was in poor condition that day, from continued rains, with a drizzle going on during the game.

Neither team was able to play to the best of its ability, with forward passes being all uncompleted, owing to slowness of the field and the wetness of the ball.

During the first half Estacada had a shade the best of the fight, being able repeatedly to make its ten yards during the four downs, with Oregon City unable to make a first down, with one exception during the contest. But in the exchange of punts, the countyseaters had a slight advantage, which substantially offset the gains made by Estacada.

At no time during the game did Oregon City have a chance to score, although Estacada threatened to for a time, following a long end run with the ball for a first down on the 20 yard line. But then occured a fumole, with the opponents punting out to safety.

The refereeing and umpiring, as handled by Jake Risley of Oregon City and Burgess F. Ford, of Stayton, formerly principal of the Estacada Schools, was fair in every way, with few if any protests registered.

Both the Estacada and Oregon City teams were handicapped by the loss of some of their best men, with the county-seaters claiming four men, out of the game.

For clean play, this game was above par and good sportsmanship was especially evident on the part of Estacada and Capt. Jannsen, who, rather than take advantage of a technicality, which might have resulted in winning the game, refused the reward. This incident was the result of an Oregon City man. who in attempting to block a punt, received Capt. Jannsen's foot in the pit of the stomach, knocking him out completely. According to the rules. Oregon City's player in colliding with Jannsen's boot, technically "roughed the punter", with Es-

Big Delegation To Attend County Budget Meeting Dec. 22nd

The fine chicken dinner, served by the ladies of the Christian Church, which was an important feature of the Farmers' & Merchants' Club meeting Monday night, at the Hotel Estacada, was enjoyed by sixty-six representative citizens of this community, with about a score more of taxpayers from outlying districts arriving in time to take part in the meeting which followed.

The annual election of officers was quickly disposed of, with the meeting unanimous in its choice of A. W. Botkin of Garfield as president; Frank Ewing of Viola, vice-president and A. L. Lasswell of Estacada, secretary-treasurer.

The principal part of the meeting was given over to a detailed discussion of the various appropriations shown in the Clackamas County Budget, as prepared by the county court and which appropriations are to be accepted or rejected by the taxpayers at the annual meeting to be held in Oregon City on December 22nd.

As to the attitude of the meeting on the different appropriations, no mention will be made herewith, but the taxpayers were substantially unanimous in their stand for and against certain items and appointed a committee, comprising H. C. Stephens, A. W. Botkin, Walter Givens, E. .W. Bartlett and R. M. Standish to act as spokesmen at the Oregon City meeting.

It was also the sense of the gathering that the effectiveness of Eastern Clackamas' protest or endorsement of the county budget, as presented by the committee, would be entirely dependent on the strength of the backing of taxpayers, who also were in attendance. In order to get together a big delegation for this purpose, the following committee was appointed: John Ely, chairman, John Page and Theo. Ahlberg of Estacada; R. H. Currin of Currinsville; Fred Anderson of Eagle Creek; Ernest Hoffmeister of Upper Eagle Creek; Harvev Gibson of Barton; N. M. Tracy and Elmer Davis of Garfield; Robert Miller of George; Sherman Kilgore of Springwater and Frank Ewing of Viola.

It is the duty of every loyal taxpayer to get in touch with some member of this committee and advise them if he or she will attend the annual meeting on December 22nd and if so, whether by auto or by joining with others in chartering a special train. A round trip rate of 97c each can be made by train, if a two car excursion can be gotten up, with the motor car costing Concluded on back page
