Why
Use Your Land

Reservoir?

If you're raising Ducks or Trout its all right

But if you want to Raise Crops, then DRAIN IT!

Speaking of **DRAIN TILE** — that is one of our specialties, and we always carry a stock of 4 and 6 inch tiling.

The price on this is right, but greatly lowered in quantity lots, especially where several thousand feet is ordered.

Now is the time for draining, so let us figure on your order for tile
