## UNPATRIOTIC

Our government has said that profiteering is unpatriotic and should not be indulged in. Hence these **RED HOT BARGAINS** on a few articles, on which the market has advanced since we bought, until to sell at today's prices, would be counted as profiteering. Here is a chance for you to save some money. These prices are for **CASH ONLY** and we reserve the right to cancel these prices without notice when the present stocks are exhausted.

### Dairymen Attention

We are confronted with a most  
serious shortage of dairy feeds  
and no prospect of any immedi-  
ate relief, we therefore take this  
means of advising all our friends  
having dairy herds, not to pass  
up any opportunity which you  
may have for getting hold of  
anything which may be used to  
tide you over until mill feeds can  
be procured again. The situation  
is really serious.

### Regarding Collections

Because of the unusual condi-  
tions confronting us we are com-  
pelled to enforce our rules to the  
letter "All Accounts due 10th of  
month following purchase". If  
your November account has not  
been paid you are now delinquent  
and can only reinstate your credit  
by immediate attention. If you  
do not have the Cash you may  
avail yourself of the Trade Ac-  
ceptance, upon application.
