PARK & CLOSNER

Estacada, Oregon

The fact that a full page advertisement for Park & Closner did not appear in this issue as announced last week, is not the fault of the advertiser but of the publisher, who could not spare that amount of space in this issue, being forced to confine their sale notice to a half page.

Under the direction of Supervisor Fred Lins, that portion of the Mt. Zion Road in Lower Garfield from the Archie Yocum corner to the George Armstrong place is being planked. While this stretch of road does not receive heavy traffic, it is ordinarily impassable for other than teams during the rainy season.

Parties desirous of obtaining Liberty Loan buttons and who are entitled to same, are asked to call at the Estacada State Bank, where a supply of these patriotic emblems has been received.
