\$1.50 PER YEAR

RED CROSS PLEDGES DUE

About \$300. Still Unpaid on Drive
In this Community last Summer

When "ye editor" accepted the chairmanship of the Estacada Red Cross Auxiliary, filling the vacancy left by the removal from town of I. D. Wright, he had supposed the office was one of more honor than work, but has been rudely awakened since.

The handling of the Christmas Membership Campaign was an easy matter with the aid of dozens of willing solicitors and the hearty unsolicited response from the people—but now the auxiliary finds that about \$300. still remains unpaid on the pledges made throughout this section during last summer's original Red Cross Drive.

It is imperative that this money be collected at once, as it was due in full November 1st last. Much of the blame for this non-payment is due the local organization, which made little or no effort to collect same, although many contributors paid theirs at the Estacada State Bank.

The remainder due comprises pledges from about thirty-five people, in amounts ranging from 75c. to \$50., some of whom have paid a portion and a few have overlooked any payment.

The Estacada Auxiliary asks that these be paid as soon as possible at the Estacada State Bank, so that all accounts may be settled and this community be in readiness for such future drives as may turn up later.

A few delayed Christmas memberships have been taken in at the News office since the remittance last week to county headquarters of \$212.15, with a check for \$9.50 sent in Saturday and about \$7. received since.

Basketball Begins

The first basketball game of the E. H. S. season will be played at the school play-shed on Friday evening, before the debate, with the varsity team meeting the alumni.

A later game is promised against the fast Springwater quintet, date of which will be announced later. E. H. S. is slightly handicapped this year by the absence from the game of Jannsen, Sarver and Douglass.

"Riverside Farm" To Be Repeated

The C. I. C. is arranging with the young people of Springwater to give a repeat performance of their Christmas dramatics in Estacada at an early date, announcement of which will appear later.

Former Springwater Boy Drinks Acid In Fit of Despondency

Wm. Bletch, son of Mr. and Mrs. W. Bletch of Springwater, during a spell of despondency, following a bad accident to an auto truck which he was driving on the Linnton Road Tuesday, attempted to commit suicide by drinking carbolic acid.

He was hurried at once to the Good Samaritan Hospital, where his chances of recovery are slight. Mrs. Bletch, on receipt of a message Tuesday afternoon, left for Portland and is now at her son's bedside.

E. H. S. Debate Friday

The first debate of the season will occur Friday evening, the 11th, in the auditorium of the Estacada high school, with the E. H. S. affirmative team meeting the Canby negative.

This will be a dual debate with Canby, as the E. H. S. negatives meet the Canby affirmatives at Canby the same evening.

The question for debate is, Resolved - "That the United States Should Abandon the Monroe Doctrine."

The debates on that evening were to have been three cornered with Milwaukie taking part, but that school at the last minute withdrew from the league.

E. H. S. will be represented at Canby by Ruby McWillis, Erica Johnson and Bruce Randolph, while the honors at home will be handled by Lewis Jones and Lorna Davis.

Red Cross Benefit Monday Night

Besides obtaining an evening's enjoyment, for the admission price of ten and twenty cents at Monday night's special moving picture show at the Family Theatre, each patron can feel that he or she is aiding in the Red Cross work, as the performance January 14th will be for the benefit of that cause.

Mrs. Sparks has succeeded in obtaining the special feature film "The Eagle's Wings" for that evening, which is another fine Bluebird picture. Everyone invited to help along the worthy cause and enjoy the pictures.

Office Space Wanted

County Agriculturalist R. J. Werner of Oregon City, can be persuaded to maintain an office in Estacada for at least one week out of every month, if free office space can be furnished. What have you to offer? Consider the benefits derived from having Mr. Werner making this headquarters for Eastern Clackamas.

Miss Quilliam Resigns

Miss Maud Quilliam, who since the opening of the fall term has been a most popular member of the faculty of the Estacada High School, being in charge of the instruction in English and Girls' Physical Culture, resigned her position last week, taking effect at once.

Owing to the illness of her father, who resides in Portland, this move was necessary, Miss Quilliam having been tendered a remunerative position with the Standard Oil Company, for whom her father has worked for many years.

Temporarily at least, Mrs. C. W. Devore of Estacada will take charge of the classes, formerly handled by Miss Quilliam.

Besides the regular yearly business and election of officers, other matters of the utmost importance will be considered and it is essential that all stockholders be present.
