

Estacada School Board Refuses Payment

During the financing in the local school district No. 108, in connection with the recent building of the high school, the board entered into some kind of an agreement with Keller Bros., a Denver bonding corporation.

Due to some part of the agreement, which the board contends was not carried out by the bond firm, payment of \$300. fee was refused, resulting in legal action now being taken by Keller Bros.

Boy Steals Pension Money

An eleven year old Portland boy by the name of Irwin Brooks, visited Estacada last Friday, returning Saturday in the company of Deputy Sheriff Frost of Oregon City, who placed the youngster under arrest and took him home to papa and mamma.

The lad called at the News office early Friday, asking for a party by the name of Miller, for whom he was to take a horse back to Portland, but no one of that name answering the description could be found. The visitor then spent the day about town and the night at the Hotel Estacada, where he proved a nuisance.

Saturday morning he started for Portland via the railroad ties and in passing through Eagle Creek stopped at the house of J. O'Neel, departing with \$40. in cash and a gold watch. On Mr. O'Neel's discovery of the loss of his pension money, the neighbors told of the boy's visit and reported having seen him headed down the tracks.

A phone message to Harvey Gibson at Barton located the lad, who on being confronted with the charge, admitted the theft, returning the watch and the money less 50 cents.

County Agriculturalist Enlists

R. J. Werner, County Agriculturalist, this week resigned his position to enlist in the ambulance service.

The acceptance of his resignation depends on President Kerr of the O. A. C., the question being whether Mr. Werner can be of more service in his official capacity, than as an enlisted man.

The county court this week re-appointed T. A. Roots county-road-boss, this being his third year in office.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.
