The students are patiently awaiting the arrival of the new teacher of English, who is expected here any day.

There has been quite a conflict between the boys and girls as to the time when they should play basket ball and after many serious arguments it has been decided the boys shall play before dinner and the girls after.

A cooler for the domestic science department has been installed in one of the windows. It is a very essential thing and much needed. Miss Schrepel, the domestic science teacher's happiness is complete.

The cooking class is making quick breads on Monday and Thursday. There will be a notice on the bulletin board by the post office. If you desire some, telephone your order to the high school.
