

German Aliens Should Register With Postmaster

By Proclamation of the President of the United States, all German aliens are notified that all natives citizens, denizens, or subjects of the German Empire or Imperial German Government, being males of the age of fourteen years and upwards on registration day, who are within the United States and no actually naturalized as American citizens, are required to register as alien enemies.

The dates of the registration in Oregon have been fixed from 6:00 A.M. February 4th to 8:00 P. M. February 9th, 1918.

All aliens subject to registration may do so at the office of the postmaster, at the postoffice serving their home territory.

Persons required to register should understand that in so doing they are giving proof of their peaceful dispositions and their intention to conform to the laws of the U. S.

Each registrant is required to furnish four unmounted photographs of himself, also to place his signature, and finger prints on record etc; full instructions for which may be obtained from the registration officer.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills for constipation.

Bank Holds Annual Meeting

The annual meeting of the Estacada State Bank was held Tuesday, with both the stockholders' and directors' meetings taking place. The stockholders elected the same directors for 1918 as were in office, with the directors re-electing the same officers, with the addition of H. C. Stephens as a vice-president.

The directors being Leroy D. Walker, L. A. Brandes and F. F. Brandes of Portland, Thos. Yocum, and H. C. Stephens of Estacada. The officers being Mr. Walker, president; Messrs. Yocum and Stephens, vice-presidents and H. C. Lasswell, cashier.

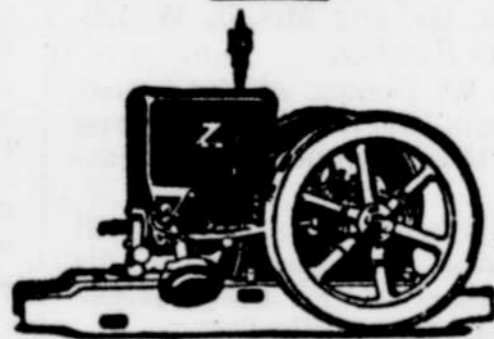

The stockholders were well satisfied with the growth of the bank during the past year and look for a continuance during the coming season.

Mr. and Mrs. A. E. Sparks of Estacada were hosts Sunday at a dinner to a few Estacada friends.

Sam Barr, Estacada's genius in metal crafts, now stationed at Camp Lewis, spent the week-end at his home. Sam presented "ye editor" with a useful, ornamental and novel pen-and-pencil-holder, being wrought from a steel horse shoe. This souvenir will always remain a prized memento and will occupy the place of honor in the sanctum-sanctorum, (whatever that is).

Friday evening, February 1st is the date set for the C. I. C. Library entertainment, to be given at the Estacada school auditorium. The feature of the entertainment will be the repetition of the amateur dramatics by the Springwater young people, entitled "Riverside Farm."
