

## What Do We Do For You

*Do you know what a bank will do for you?*

*First, it is convenient to pay bills by check; then it is safer than carrying or hiding money. A cancelled check is never disputed as a receipt.*

*It establishes your credit to use a bank as reference.*

*These are only a few of the things a bank will do for you if you will open an account.*

The debate between the Estacada negative team and the Hubbard affirmative was held Friday night, in the E. H. S. auditorium.

It was very interesting and held the audience spell bound from start to finish. Estacada won unanimously.

Not long after, word came that Salem had been victorious at home and at Hubbard, thus winning the North Willamette championship. Our affirmative team, which debated at Salem, was said to have put up a very good debate. The Salem negative won by a "close shave".

One of the things noteworthy of mentioning was the warm reception Salem high school gave the team when they arrived.

Everybody is getting down to business this week, even the Freshmen, as the first semester examinations start Wednesday. Some of the classes are away behind so they are doubling the length of their lessons.
