

As the New Owner of the
PALACE

MEAT MARKET

I wish to announce that I am now on the job - right behind the counter and busily engaged in conducting this business to the best of my ability and on up-to-date business methods.

I respectfully solicit the patronage which Mr. Jorg has for years held at this market and hope to increase the business and list of patrons by dealing in

Good Meats at Fair Prices

buying and selling both
 Local and Portland Products.

For a time I considered placing this business on a strictly cash basis - but as exceptions would have to be made to that rule, I will continue for a time at least, with charge accounts payable twice per month or every 15 days, or credit discontinued.

The enforcement of this rule is absolutely necessary, as the Portland wholesalers and the local livestock sellers insist on being paid shortly after the delivery of the meats.
