## Join These Americans On the Road to Victory

See the crowd! It is a *happy* crowd! Why? Because it is on the road to Victory. It is an old road, the *Thrift* road, the broad highway to personal success. And as usual, the success of the individual means the success of the Nation.

The Nation to-day wants Victory. The individual here at home can help best by winning a million smaller victories over waste and extravagance.

Join the crowd! Take the *Thrift* pledge! Raise the W. S. S. flag and keep it flying. Put your quarters and your dollars behind your sons and husbands and brothers on the sea and in France.
