

Basket Ball Friday Night

A good basketball game has been scheduled for Friday evening, the 22nd at the E. H. S. play-shed, beginning at 7:30 sharp. At this time the E. H. S. mumps-crippled and patched-up team will tackle the James John bunch of Portland.

The hour for the game was set so as not to interfere with the 6 o'clock Tamale Supper to be served in Currinsville that evening.

The Day!—Friday

The Date!—February 22nd.

The Time!—6 o'clock sharp.

What's Doin'?—Tamale Supper.

Where?—Currinsville Church.

Menu?—Full Tamale Supper.

Extra!—Music with your meal.

Price!—Only 35c per plate.

Whose Goin'?—Everybody.

Whose Invited?—Everybody.

Miss Caroline Weiderhold, who is taking the nurse's training course at St. Joseph's Hospital in Vancouver, is this week visiting at the parental home in Bissell, where she is recuperating from a five week's siege of scarlet-fever at a Portland hospital.

Frank Ewing of Viola and Herman Wallace of Currinsville are now on a trip in the mountains, attending to the winding of the water-gauge clocks at The Intake and Timothy Meadows. They expect to do little snow-shoeing, as but light snow has fallen in the mountains so far this season.

The Parent-Teacher meeting held in the auditorium Friday evening was especially well attended. Prof. Grout, Asst. Supt. of the Portland Schools spoke on the subject, "Choosing a Vocation For Your Boy." The musical numbers by Neil Bronson and Mrs. Mayme Boyle were also greatly enjoyed.

Last Friday afternoon a Student Body meeting was held, with the students participating for an hour in parliamentary practice.

On next Friday afternoon, the 22nd, will be held the Adelpic Society program, given by the Adelpic boys. Everybody come and see the boys perform.

The basketball team is having a hard time, due to the absence of several members, who are suffering with the mumps. But notwithstanding these difficulties they are going to play and hope to win from James-John, Friday evening at the local play-shed.

In the interests of food conservation, the E. H. S. Domestic Science department will present herewith each week recipes for tempting dishes, using substitutes for many articles now being conserved.

Fig Pugging

1 cup sago or tapioca
2 " dried fruit (figs, prunes)
2 " karo
4 " water
Little salt.

Cook sago in boiling water; add the fruit to the sago; add karo.

Sauce

½ cup karo; ½ cup water; 2 teaspoons honey ½ cup chopped walnuts. Mix karo, water, honey; add nuts.

Mr. and Mrs. B. R. Kimmel of Estacada this week received a letter from their son Carl, who is now in France. Owing to the clipping out of certain parts of the letter by the censor, little news was obtainable, except that he was in good health and had not received the News since leaving New York. His address is now Co. B., 162nd U. S. Infy., A. E. F. via New York, A. P. O. 701.

Mr. and Mrs. C. D. Crout and family of Estacada this week moved to Portland, where they will make their home. Mr. Grout will continue his work with the Government Spruce Plant at Vancouver.

D. Z. Platt of Upper Garfield this week moved to Gladstone, so as to be nearer his employment in the shipyards.
