The Palace Market

Estacada Or. J. C. Hillman, Propr.

is now under new management, handling both Portland and local meats, at prices based on a fair business profit.

The demands of the business today make it necessary that all accounts be paid on the 1st and 15th of each month, as the Portland dealers extend but ten days credit and the local seller of livestock expects cash for his offerings.

Fresh Fish Tuesdays and Fridays

Anglers desiring salmon eggs are asked to order two days in advance.

Being an officer needn't prevent his getting hold of such a good thing as a chew of Real Gravely!

He Gets Days of Comfort out of a pouch of Real GRAVELY Chewing Plug

Real Gravely Plug is such good tobacco (just enough sweetening to flavor), that a plug of Real Gravely lasts much longer than an ordinary plug, and gives the comfort and satisfaction of good tobacco.

Give any man a chew of Real Gravely Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It costs less per week to chew Real Gravely, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravely with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE
A POUCH OF GRAVELY

Dealers all around here carry it in 10c. pouches. A 3c. stamp will put it into his hands in any Training Camp or Seaport of the U. S. A. Even "over there" a 3c. stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.

Mrs. August Koehnaman was called to Cascade Locks Sunday owing to the sudden illness of her mother Mrs. Hodson of that place.

Miss Pearl Hess of Portland is visiting with old time Dover friends.

Mrs. Jennie Kitzmiller is suffering with an attack of tonsillitis.

R. C. Spooner and crew have finished hewing ship timbers in Dover and are now getting out timbers on the Wendland place in Firwood. These huge timbers are used for bowsprits on ships, being seventy-six feet long, 47 inches square, tapering to 11 inches and weighing twelve thousand pounds.

The Barton Literary Society held its usual bi-monthly meeting Friday evening, and staged another "mock trial". In this trial, Miss Pauline Flanagan sued Samuel Devine for \$33. heart balm for breach-of-promise. The lady won the case and Mr. Devine was fined \$30. worth of chewing gum. Many incriminating letters were introduced by the plaintiff's attorney Harvey Gibson, with Miss Jennie Smith of Eagle Creek testifying as a penmanship expert. Geo. W. Turner ably defended the guilty defendant.

Henry Githens of Currinsville recently returned from Browns-ville, where he purchased a young thorobred Hereford bull, having sold his former one to eastern stock breeders.

Carl Kimmel of Estacada, in a letter to his parents from "Somewhere in France", dated March 3rd, tells briefly of his life there, acknowledges receipt of several letters and boxes from his parents and gifts from his school mates.

Miss Dora Currin of Currins-ville is at home for the Easter vacation, expecting to return to the U. of O. next week.
