The estate of the late John J. Honebon of Portland, who died March 22nd, is now being probated in this county. The estate is valued at \$8,000, being largely Clackamas County property. Mr. Honebon was well known locally having owned a large ranch in Upper Garfield up to a few years ago, when he sold out and moved to Sunnyside.

R. C. Mulkey, after a week's absence from his barber shop in Estacada, on account of measles, is again back on the job. The shop was closed for a few days last week, but on Saturday J. W. Reed and Dave Eschleman handled the tonsorial demands of the community.

Waldon Boyle, of Estacada, who a couple of weeks ago underwent a mastoid operation at a Portland hospital, is now at his home and well on the road to recovery.

Miss Lola Davis, daughter of Mr. and Mrs. R. E. Davis of Garfield was operated upon for appendicitis at a Portland hospital last Thursday and is reported to be getting along satisfactorily.

The Currinsville Priscilla Club held its regular meeting on May 2d, at the home of Mrs. Henry Heiple. It was an all day affair and a delicious dinner was served at noon by the hostess. Twelve members and three visitors were present and the day was spent in knitting and sewing. The club expects to take up more Red Cross work immediately.

P. F. Standish of Garfield, who lately enlisted in the Red Cross truck drivers' corps and who returned from Camp Fremont, California on furlough to arrange the handling of his ranch during his absence abroad; was last week advised that the unit in which he had enlisted had been filled by eastern applicants, no western men being called. This announcement has proved a sad disappointment to Mr. Standish, who had resigned from a lucrative position at the cantonment, disposed of much of his farming equipment in Garfield and who was eagerly awaiting advices to proceed to New York to join the corps.

A little thing like being under fire can't stop them
 from taking a chew of Gravely!

When He Gets that Pouch of Real GRAVELY Chewing Plug You Sent Him

A man's first impulse is to share a good thing. Real Gravely Plug has been spread all over America simply by the Gravely user offering a small chew to his friends. Tobacco like that is worth sending. It means something when it gets there.

Give any man a chew of Real Gravely Plug, and he will tell you that's the kind to send. Send the best!

Ordinary plug is false economy. It costs less per week to chew Real Gravely, because a small chew of it lasts a long while.

If you smoke a pipe, slice Gravely with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

SEND YOUR FRIEND IN THE U. S. SERVICE A POUCH OF GRAVELY

Dealers all around here carry it in 10c. pouches. A 3c. stamp will put it into his hands in any Training Camp or Seaport of the U. S. A. Even "over there" a 3c. stamp will take it to him. Your dealer will supply envelope and give you official directions how to address it.

Mrs. Claude W. Devore and son Raymond returned home Friday, after a few months' absence, Raymond having visited relatives at Drain, Oregon, and Mrs. Devore having made a pleasure and business trip to California.

Work is now under way by the city of Estacada in laying water pipes in the alley between Shafford Avenue and the Boulevard, replacing the small half inch pipes, which supplied too small an amount of water for the number of patrons served.

Mrs. Walter Givens of Estacada spent a few days at Wasco, Oregon, this week, having met Mr. Givens there Saturday, where he is attending to some business matters.

Mrs. L. W. French and Mrs. C. K. Butler of Iowa, on their way home from California, stopped in Estacada for a day last week to visit their niece, Mrs. A. E. Sparks.
