SECOND RED CROSS DRIVE BEGINS MAY 20TH

Dr. Kerr, O. A. C. President Will Launch Local Campaign At Big Sunday Rally

Beginning next Sunday, politics will be relegated to the discard, with the primaries over and the Second Red Cross Drive occupying the spot-light for the week following.

Clackamas County's quota will be \$15,000 of the \$600,000 for Oregon of the National quota of \$100,000,000.

A permanent organization of this county was effected at a meeting last Thursday night in Oregon City, with T. W. Sullivan of that city elected to head the county campaign. Of the various committees appointed, R. M. Standish of Estacada on the publicity committee, was the only representative from this portion of the county.

It is expected this county's \$15,000 quota will be aided by a just proportion of the donations made by the corporations operating within this territory, part of which are non-resident.

At this meeting captains for all of the school districts of the county were appointed, these captains to call meetings in their home districts for the purpose of perfecting soliciting organizations; the captains of the Eastern Clackamas districts and the district quotas being as follows:

The GREATEST MOTHER IN THE WORLD

E. H. S. Has A Winning Base Ball Aggregation

When it takes fourteen innings for the Franklin High School nine of Portland to defeat the Estacada High School team by the narrow margin of 6 to 5, it is evident that E. H. S. this season has a fast and snappy bunch of ball tossers.

The Franklin-Estacada game was played last week and the week previous the home nine walloped Oregon City in an extra inning game. But the county seaters are looking for revenge Thursday, May 16th, when they play a return game on the Estacada grounds and all local rooters should be on hand.

On May 24th the Gresham team will play the locals on the local grounds, with a return game at Gresham, May 31st or June 7th.

Estacada's line-up comprises,

R. Lovelace, C.
W. Smith, P.
E. Hannah, 1st.
A. Hannah, 2d.
G. Gouglas, SS.
A. Lichthorn, 3d.
P. Murphy, L. F.
R. Markwart, C. F.
H. Dillon, L. F.

ALL READY FOR PRIMARIES FRIDAY MAY 17TH

All Local Voters Urged To Stand By Friends Of Eastern Clackamas County

Sample ballots for the Primary Election of May 17th are already in circulation, with the Republican pink ballot overshadowing in size the slip to be used by the Democrats.

Interest in this section is centering primarily on the county candidates for State Senator and Representatives, with interest in the nomination for U. S. Senator, and Governor almost as keen.

The ballot calls for the nomination of a member of the Republican National Committee, with a choice of two. Three candidates aspire to the nomination for short term U. S. Senator, with two Republicans and as many Democrats fighting for the long term office.

The present incumbent is seeking reelection for Congress, with six Republicans and two Democrats seeking the highest honor as Governor of Oregon.

A half dozen Republican are looking for the State Treasurership and three judges are vying for the nomination for the Supreme Court. There is no competition for the offices of Attorney General or Superintendent of Public Instruction, but considerable rivalry exists for some of Commissioner jobs.

Except for Sheriff and Treasurer of this county, the Democrats have no candidates, with the big fight between Brownell and Dimick for State Senator. Three Portland men are asking for the nomination for Joint Senator and six Clackamas County men are struggling to obtain the three nominations for State Representatives, with Stephens of George being the only Eastern Clackamas candidate for any office.

For County Sheriff, three Republicans and one Democrat are listed; two men want the Clerk's office; a man and a woman are up for Treasurer, with no competition for Recorder or Surveyor and but one man is trying to get Commissioner Knight's seat in the County Court.

Every voter should do his or her duty and cast their vote early. The majority of polls will be in charge of women this year, these clerks and judges having agreed to donate their earnings to the Red Cross.

Bartlett Mayor of Estacada

A considerable shake up of officers of the City of Estacada occurred at Tuesday's council meeting, when Marshall John Page resigned, with Mayor Lovelace resigning to accept the marshalship and the council appointing E. W. Bartlett as mayor.
