Fred A. Miller FOR COUNTY CLERK

If You Want Experience and Efficiency.

Here is what J. H. Wilson, expert accountant, says:

"The County Clerk's office is conducted with rigid exactitude. Miss Harrington, and her Chief Deputy, MR. MILLER, are about as correct as they can well be. That is to say, exactly correct, and it is a great pleasure to audit in an office conducted as this Clerk's office has been."

No. On Ballot 64.

At the Dover Church on Saturday evening, May 18th, in connection with the program to be given by the Dover school, an ice cream social will be held, to which all are invited and the proceeds to go towards the Red Cross.

No man can complain these days of lack of profitable employment, with the several local mills constantly looking for men, and Frank Ewing of the P. R. L. & P. Co. unable to obtain any labor for the preliminary work now underway in the dam building up the Clackamas.

John W. Ferguson of Portland, whose official titles when translated mean "Chief Forest Fire Fighter" was in Estacada for a day last week, preparatory to launching the season's patrol within a short time. John has been in charge of a spruce camp for the past winter and will make his official headquarters this summer near Molalla.
