**Zogg-Wilcox Wedding
 Beautiful Lawn Affair**

A beautiful lawn wedding took place June 22nd, at eight o'clock in the evening at the home of Mr. and Mrs. Matthew Zogg of Sandy Ridge, when their daughter Sylvia was married to Roy Wilcox formerly of that district.

The bride was beautifully gowned in a creation of veiled crepe-de-chine and georgette crepe with pearls and carried a shower bouquet of bride's roses, sweet peas and baby breath.

Miss Pauline Zogg, a sister of the bride, becomingly gowned in yellow silk was maid of honor and the best man was Lester Davies of Clatsop, a friend of the groom, who is in the military service with him at Clatsop.

Rev. R. A. Weld of Springwater performed the ceremony in the presence of about fifty friends and relatives. Many beautiful gifts of silverware, cut glass and china were presented to the bride.

The happy couple left in their machine for Seaside, where they will make their home for the summer and where the sincere wishes of their many friends are extended to them for a long and happy life.

Mrs. Nora I. Reid and son Chester of South Estacada left for Portland this week, where her son Theodore is employed for the summer.

**Monster Picnic
 At Estacada July 7th**

On Sunday July 7th the Columbia River Shipyard employes will hold their annual picnic at Estacada Park. Present indications point to a crowd of from 35 to 40 carloads, which means from 3,000 to 4,000 people in attendance.

Hal F. Gibson of Barton, one of that community's leading boosters, Tuesday afternoon, long-distanced the News office to announce that Barton had gone about \$1400. over the top of their quota of \$2600.

Rev. Henry Spiess of Estacada occupied the pulpit of the Dover church Sunday and preached an interesting sermon on the text "The Prodigal Son."

By Tuesday morning of this week the Springwater and Curinsville school districts had gone over the top in their quota of W. S. S. sales and the canvassing in other districts is now progressing rapidly.

Halt the Hun!

Provide the boys with the things they need to make short work of him.

Guns, clothes, aircraft, food, munitions and ships to get over with.

These are the things the boys need, and it costs money—hunks of it.
