## BOOSTING SPIRIT

Vol. 2 No. 27

Aug. 1, 1918

Estacada, Oregon

### MIGHTY SORRY

were we to hear of the Estacada Co-operative Cheese  
Factory closing down, but that doesn't mean that the  
dairy business in this community is entirely gone to the  
bow-wows.

### WE KNOW

that all kinds of feeds are too high, and here's hoping  
that our Uncle Sam will take hold of things and regu-  
late all feeds as well as mill feeds. The mills promise  
us that in a very short time we will be able to obtain  
mill feeds in liberal quantities. In the meantime give  
bossie the best of care for butter fat is mighty high.

### U CAN'T EXPECT

her to fight flies all the time and give the greatest  
amount of milk.

### WHY NOT

get a can of our CELEBRATED FLY SPRAY and keep  
the FLIES from bothering her. Its the best invest-  
ment you ever made.

### WE WERE TICKLED

almost to death when we heard last week that our good  
friend Edward Shearer, from Garfield had been appoint-  
ed Superintendent of the Poultry Department at the  
State Fair, at Salem this fall. Three cheers for Eddie,  
we know no better choice could have been made.  
Everybody get a can of our LICE and MITE KILLER  
and spray the chicken house and get those hens in  
shape so that Eddie won't be ashamed of them, besides  
no hen will lay when covered with lice, and eggs are  
going to be \$1.00 per DOZEN this winter.

We still have a few bales of

### Binding Twine

at the old prices of 25c for the Standard and 27c  
for the manilla, better be sure you are supplied before  
the supply is exhausted.

We anticipate shipping another car of

### Live Stock

next week. If you have either cattle or hogs please  
notify us at once so that we can arrange to call and  
look at them before shipping date.

### Wanted Some GOOD

Country butter and a few hundred cases of eggs, for  
which we will pay the highest price. Have you any-  
thing to offer?

### COME IN and LET US

figure with you on that fall order for groceries. Re-  
member we are on a CASH BASIS which will enable us  
to meet any competition and it will be to your gain to  
see us.

### REMEMBER

We are headquarters for GROCERIES, FEED, LUM-  
BER, LIME, CEMENT, SHINGLES, POULTRY SUP-  
PLIES.

We Believe "A Satisfied Customer is the Best Advertisement."
