## Estacada State Bank

Henry Boyer of Estacada, who has been employed in the forestry service up the Clackamas, last Friday, cut his right leg with an axe, necessitating his return to home and a doctor.

Mr. and Mrs. Roy Vance and Myrtle Looney are down from Salem, visiting at Jake and Walter Looney's.

Miss Ruth Dillon of Estacada is now acting as assistant cashier of the Estacada State Bank, due to the enlistment in the army last week of cashier A. L. Lasswell.

Fred Hoygaard and George Douglass of Cazadero are enjoying a fishing trip along Roaring River this week.

### Local Lumbermen

#### Buy Fine Timber

After several weeks careful investigation in various timber sections of Oregon, James Park and Will Closner of Estacada, of the Park & Closner mill, late of Currinsville, have purchased a 55 acre piece of extra fine timber near Eugene.

These mill men have not only purchased a quantity sufficient to operate their mill for from three to four years in cutting ties, but have arranged for the timber on an adjoining 245 acres.

Within the next two weeks the machinery from the present mill will be enroute to its new location and soon after it is expected the mill will be in operation.

Mrs. Howard Smith and children of Sherwood, Oregon are visiting at the home of Mr. Smith's parents, Mr. and Mrs. Wm. Smith of Dodge.

## Monday's Labor Lost Somewhere Between 6 and 12

A snowy line of perfectly washed garments—out early in the fresh morning breeze—washed, rinsed and wrung in less than 3 hours. Not a rip nor tear. Not a button off. No muss, no fuss. Dry before noon to be ironed the same day—at a cost of 6 cents for electric current from your nearest electric light socket. All this is possible and easy with the Maytag Electric Washer. Let us show you the pleasant side of Monday's work. Come in and see the Maytag Washer—and have it sent home. No payment down—no obligation. Use it this coming Monday—and three Mondays after that. You won't want to send it back—because you can run the "Maytag" with perfect safety—and YOU CAN AFFORD TO RUN IT. Call or phone today.
