

Notice should be given all pedestrians who have occasion to pass along the sidewalk, or rather the remains of a sidewalk, on the north side of Fifth Street, between Main and Currin Sts. Estacada; for under the crosswalk at the alley reposes a big nest of savage hornets and it is well to give that spot plenty of leaway. Several adults and children have already been stung by the insects.

Mrs. T. I. Ashton of Ft. Dodge, Iowa is a guest at the A. E. Sparks home in Estacada, with Mr. Ashton having spent a day here, as he is attending the G. A. R. encampment in Portland this week.
